A false alarm of fire was sounded in Carleton at 12.30 today.

TEMPERANCE ANNIVERSARY.

Excelsior division, S. of T., will celebrate their anniversary by a musical and literary entertainment in their hall, King street, to-morrow evening. The Rev. Mr. Botterill of Leinster street church, will be present to address the audience.

GOOD SPORT.

The genial sportsman of Morality Hall, Thomas Q. Dowling, who has been among the marshes shooting, has experienced great luck. He returned laden with 17 ducks a day or two ago, this, making with his other trips this season, a total number of 34 ducks. Mr. Dowling is a thorough sportsman, and doubtless will be heard from more than once this season.

THE GOOD LITTLE GIRL.

Everybody who knows Capt. James McGregor Barker knows that the sunshine of spiritual contentment beams perennially from his countenance, and that the songs of New Jerusalem are always on his lips. A bright little girl, whose musical repertoire had been enlarged by listening to the captain, was singing softly to herself the other day, as she played with her doll, "Going down to Calvary"—when a clergyman, deeply moved by the sight of so much precocious piety, patted her gently on the head, and asked; "Dear little girl, do you know who it was that went down to Calvary?" "Yeth, thir." "Who?" "Capt. Barker."—Chatham World.

WEDDING BELLS.

The residence of Dr. Smith, Main street, Portland, presented a gay and festive appearance last evening, the occasion being the marriage of G. L. Tapley to Miss. Pugsley, sister of Mrs. Smith and also of Hon. Wm. Pugsley. The ceremony was performed by Rev. L. G. Stevens, rector of St. Luke's church. The bride, who was attended by Miss Tapley, was attired in a handsome white corded silk. George McDonald supported the groom. Mr. and Mrs. Tapley received the congratulations of hosts of friends after the ceremony. The presents were both numerous and costly. The newly married couple left last evening by western train on a trip to Boston and New York followed by the best wishes of their many friends.

THE FERRY.

The GAZETTE leads the St John press in submitting a solation of the ferry question. Carleton asks for a free ferry or a bridge, and the GAZETTE suggests that the ferriage be reduced from three cents to one, the monthly ticket to be abolished. This would leave a considerable deficit, of course, in the ferry account, but it would give Carleton a cheap ferry and that would be more convenient than an out-of the-way bridge. An absolute free ferry would not be practicable, as it would be frequently so crowded with free idlers that persons on business would have to wait a trip or two for a chance. Let the Common Council act on the GAZETTE'S suggestions and the Carletonians will have but little cause of complaint on that score.—Chatham World.

THE JAIL.

As mentioned in THE GAZETTE of yesterday's issue, the jail has been repainted within. The walls have been nicely tinted, and the ceilings whitewashed, and the whole building presents an aspect of thorough cleanliness, which is calculated to impress the visitor with the idea that life behind the bars is not altogether unhealthy. This idea, too, is supported by the stalwart looking male and female prisoners at present residing there. For the most part these prisoners are always coming and going, and still they wax fat. At present there are 43 prisoners in the jail, 30 of whom are women. Their terms of sentence range from ten days to about six months, and the crimes which they are expiating are mostly drunks and vagrancy. The jail is always kept in such good order that the old stagers are seemingly fond of living there.

SERGEANT HAMILTON RE-INSTATED.

At the police committee investigation yesterday held in reference to charges brought by the woman Christian against Sergeant Hamilton, the latter was exonerated and re-installed in his former position. The character of the woman was such that no faith could be put in her statements, and from evidence taken it was shown that the case was one solely of blackmail, and that the woman has been engaged for some time past in this business. During the three years she has been in St. John, Christian has been before the court on sixteen distinct charges and has been commited to jail fourteen times during this period. The jail keeper said at the examination that she is undoubtedly the worst character in St. John, and he has on many occasions had to threaten her with severe punishment.

Such a woman is dangerous in any community. She should be removed.

THE MARITANA OPERA COMPANY

This company, as elsewhere announced, will appear in the Mechanics' Institute on the 30th inst., for a season of three nights. The members of the company have each a high reputation in the musical world, and as this combination comprises such names as Miss Alice May Bates, soprano; Miss Annie Belle Hinckley, mezzo soprano; Wm. H. Fessenden, tenor; Lou. F. Brine, baritone; Harry L. Cornwall, basso, and Myron Clark, comedian, the public may feel well assured of first-class entertainments. Mr. Leon Keach is musical director. The first performance will be the Daughter of the Regiment and of this opera and its performances by the company the Boston Sunday Times says:

A performance that was uniformly pleasant and full of merit was the appearance of the Maritana Opera Company in the "Daughter of the Regiment" at the Dudley street Opera House last Monday evening. Everything went with energy and harmony, the music is melodious and the opera pretty and atractive, affording sufficient opportunity for good vocal and dramatic work. It was carried through earnestly and with admirable results.

HART'S CONTROL TO BE ABSOLUTE.

A change has been made in the methodof government of the Boston base ball team. On Monday last Manager Hart was handed a letter from the directors, in which he was given full and absolute control of the players on and off the field. He is to have the selection of the team from day to day, and, for cause, he can temporarily remove the captain and appoint another in his place. He is given full authority to enforce discipline when deserved, and any punishment he may inflict will be upheld by the directors. In fact, from this time out Mr. Hart will be what he is in name—manager of the team—and he will be held strictly responsible for the performance of his duties. It is said that the players are highly delighted at this change in affairs.

Athletic.

CARLETON STEPS TO THE FRONT.

A meeting of those interested in Athletics was held last evening in the Carleton City hall for the purpose of organizing an association. There were about sixty young men present and it looks as though the association was already organized, J. A. Gregory was elected chairman and Oliver Howard secretary while J. A. Gregory S. Watters, C. Howard, C. Smith, and C. E. O'Reilly were appointed a committee to look after financial matters connected with the club and to start subscription lists for the purpose of raising $200 a sum necessary to put in proper condition the grounds the promoters have in view. It is the intention of the gentlemen who are moving in the matter to ask the west side members of the common council to give them Queen square, which will be levelled off and made suitable for base ball, lacrosse, foot ball, etc.

TEN MILES CHAMPIONSHIP.

The race for the ten miles English amateur championship, which was held under the auspices of the Amateur Athletic Association, at Stamfordbridge Grounds, Chelsea, on Saturday, April 6, says the London News, produced one of the finest struggles ever seen over the distance. Sidney Thomas of the Ranelagh Harriers, the winner of the cross country championship this year and last and J. Kibblewhite, of the Spartan Harriers, were the most fancied of the competitors, and as the result proved, rightly so, for after a grand race they finished first and second respectively, Thomas getting home forty yards in advance in the splendid time of 51 min. 31 3-5 sec which is only 11 3-5 sec slower than the amateur record made by the famous W. G. George five years ago. Kibblewhite's time was 51 min 40 2-5 sec and that of H. Wade of the Lea Harriers who finished third 54 min 24 4-5 sec. Several others completed the distance but six of the runners who started retired at various stages the contest.

Cricket.

There has recently been some wonderful scoring in Australian cricket. On March 2nd the match for the Metropolitan Challenge Cup between South Melbourne and the Melbourne C. C. was continued, when the former, who had lost two wickets for 240 runs, continued batting all day, and when stumps were drawn had scored 437 for six wickets. Trott made 216. Slight 63 S. Morris (not out) 40, and Lord (not out) 19. T. W. Garrett compiled 274 in his innings for Sydney University against Albert. Lee and Barbour contributing respectively 123 and 102. The University total reached 635, the highest ever made in a senior club match in Sydney, Garrett's at the same time being the highest individual score in a senior club contest.
