The Aldine,
AN ILLUSTRATED MONTHLY JOURNAL UNIVERSALLY ADMITTED TO BE THE HANDSOMEST PERIODICAL IN THE WORLD, A REPRESENTATIVE AND CHAMPION OF AMERICAN TASTE.
Not for Sale in Book or News Stores.
THE ALDINE, while issued with all the regularity, has none of the temporary or timidity characteristic of ordinary periodicals. It is an elegant miscellany of pure, light and graceful literature; and a collection of pictures, the rarest specimens of artistic skill, in black and white. Although each succeeding number affords a fresh pleasure to its friends, the real value and beauty of THE ALDINE will be most appreciated after it has been bound up at the close of the year. The possessor of a complete volume cannot duplicate the quantity of fine paper and engravings in any other shape or number of volumes for ten times its cost; and then, there are the chromos besides!

ART DEPARTMENT, 1874.
The illustrations of THE ALDINE have won a world-wide reputation, and in the centres of Europe it is an admitted fact, that its wood cuts are examples of the highest perfection ever attained. The common prejudice in favor of "steel plates" is rapidly yielding to a more educated and discriminating taste which recognizes the advantage of superior artistic quality with greater facility of production. The wood-cuts of THE ALDINE possess all the delicacy and elaborate finish of the most costly steel plates while they afford a better rendering of the artist's conceptions.
In addition to designs by the members of the National Academy, and other noted American artists, THE ALDINE will reproduce examples of the best foreign masters, selected with a view of the highest artistic success and greatest general interest. Thus the subscriber to THE ALDINE will, at a trifling cost, enjoy in his own home the pleasures and refining influences of true art.
The quarterly tinted plates for 1874 will be by Thomas Moran and J. D. Woodward. The Christmas issue for 1874 will contain special designs appropriate to the season, by our best artists, and will surpass in attractions any of its predecessors.

PREMIUM FOR 1874.
Every subscriber to THE ALDINE for the year 1874 will receive a pair of chromo original pictures were painted in the publishers of THE ALDINE, by Thomas Moran, whose great Colorado pictures were purchased by Congress for ten thousand dollars. The subjects were chosen to represent "The East" and "The West." One view in the "White Mountains, New Hampshire" the other green. The lands of Green River, Wyoming Territory. The difference in the nature of the scenes themselves is a pleasing contrast, and affords a good display of the artist's scope and coloring. The chromos are each worked from thirty distinct plates, and are in size (12x16) and appear exactly like the originals. The presentation of a worthy example of America's greatest landscape painter to the subscribers of THE ALDINE was a noble and preciously happy idea, and its successful realization is attested by the following testimonial from the signature of Mr. Moran himself.
NEWARK, N. J., Sept. 20th, 1873.
Messrs. JAMES STICKNEY & Co.,
Gentlemen:—I have delighted with the proofs in color of your chromos. They are wonderfully successful reproductions of my mechanical art, and I am very respectfully,
(Signed) THOS. MORAN.

TERMS.
\$ per annum in advance, with 311 Chromos free. For 50 CENTS EXTRA the chromos will be sent mounted, varnished and prepaid by mail.
THE ALDINE will, hereafter, be obtainable only by subscription. There will be no reduced or club rate; each for subscription must be sent to the publishers direct, and handed to the local canvasser, without responsibility to the publishers, except in case where the certificate is given, bearing the similar signature of JAMES STICKNEY & Co.

Dr. J. Walker's California Vinegar Bitters
Bitter is a purely vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is asked, "What is the cause of the unparalleled success of Walker's Bitters?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.
If men will enjoy good health, let them use VINEGAR BITTERS as a medicine, and avoid the use of stimulant in every case.
