ONTARIO

The New England Company sent us \$ 1232.00
The Department of Indian Affairs 3630.60
we will require \$ 2000⁰⁰ to see us
to the end of this month - and -
another \$ 1,400⁰⁰ to the end of
the Quarter. Will you please
make some arrangement to meet
this. The rest quarter will not

be so heavy - we threshed 322 bushels of
wheat - 28 rye - 1578 of oats and 275 barley so
we have feed to see us through - and
plenty of vegetables and potatoes and
apples.

We had to buy four cows this last
quarter - as our herd is still in deplorable
condition

Have to close to catch the mail

Yours very sincerely
