Question of Store Street Extension of E. & N. Will Be Considered Again.

A special secret meeting of the city council will be held on Wednesday or Thursday of this week to confer with R. Marpole in regard to the Store street track question. Last week the council had a secret meeting and arrived at a decision as to what terms they would offer the C. P. R. if the question were reopened. The result of this meeting was telegraphed to Mr. ceived suggesting that he could meet them on Wednesday of this week if it could be so arranged. Alderman Mable stated that it would be impossible for him to attend on that evening, and as it was thought best for all the elder.

Toronto, Feb. 5.—The Dominion Shorthorn Breeders' Association yesterday voted \$200 to New Westminster, \$300 to Calgary, \$400 to Regina and \$750 to Monitoba provincial and fall stock fairs. Marpole and a reply was at once re-ceived suggesting that he could meet as it was thought best for all the aldermen to be present if possible it was left to the Mayor to try to arrange with Mr. Marpole for Thursday even-ing, but if not convenient the meeting to be held on Wednesday as suggested onded by Ald. McKeown, that this be done and that the meeting be held in camera.

From the way in which the C. P. R. official has taken the matter up and from the demeanor of the council it is generally thought that a satisfactor arrangement will be made so that the C. P. R. may be able to commence their sorely needed in this city.

This Will Interest Old Folks

Life to elderly people can only be pleasant when all the faculties are active. But as we all know, the human body is merely a machine. It gradually

wears away, grows weak in spots, must be patched here and there or break In old age it is well to remember the adage that a stitch in time saves nine—in other words, health should be carefully guarded. The blood is sure to grow thin and lack the nutrition of younger days, and to overcome this condition there is probably no remedy that gives such immediate results as Ferrozone. First of all, Ferrozone increases the appetite—then it assists digestion and in consequence all that is eaten is at once converted into nur-ishment. A well nourished body is bound to grow strong, and by using Fer-rozone the advance of old age can be pushed back for years. In highly concentrated from Ferrozone contains strengthening elements that circulate to every nook and corner of the body. By supplying exhausted nerves with life and toning up organs that are weak or inactive, the change it brings about is marvelous. If you are feeble, sleep poorly, have nervous fear, weak heart or rheumatism, you will surely be cured by Ferrozone. If it's better health you seek-Ferrozone will bring it surer and quicker than anything else. Get it to-day, 50c. per box or six for \$2.50 at all dealers.

ARE SATISFACTORY

Annual Meeting of the Shareholders Shows Good Results for Year.

The shareholders of the Victoria Creamery Association held its annual meeting last Saturday, when officers for the present year were elected, the president's report was also received, and the financial statement for the tary-treasurer. Joseph Nicholson, the sport and sportsmanlike conduct as any one in or out of Victoria. Hoping you president, reported the association to be in a very sound financial standing, and the prospects of further growth in the near future were very promising. The output of the association for the year was 181,251 pounds of butter, and the average price paid to the farmers for the year was 33fl cents per pound—this was the highest figure paid since SAD AFFLICTION the creamery started operations. The total amount credited to the farmers

or the year was \$57,163.60. The officers elected were as follows: President, Joseph Nicholson, reelected. Vice-president, H. Puckle.

Directors, M. Dean, A. H. Pratt, F. N. Borden, W. R. Armstrong, W. F. Loveland, L. Sea and S. Roberts. A. G. Snelling was re-elected secre-tary and manager.

The financial statement showed that the receipts for the year were \$65,478.21, and the expenditures, \$63,417.20, of which the largest item was \$55,414,77 for cream. The assets of the association now total \$12,375.03, being \$6,609.50 young wife passed away in giving birth in excess of liabilities.

A CRIPPLE CURED.

Cured by Dr. Williams' Pink Pills.

"I was a helpless cripple. I was cines, but they all failed until I began using Dr. Williams' Pink Pills—they cured me." George Schaw, of Short Beach, N. S., made the above almost startling statement to a reporter a few days ago. Mr. Schaw is now a well built man, strong and broad-shoulderat the opera house. In the proposition submitted to the council it was estimated that 37 lamps could be installed the proposition of the propositi for \$920, and operated for a year at a cost of \$445. This, of course, was less scribe the awful pain I suffered before I used these pills. I tried many med-icines and had treatment from several doctors, but to no avail. My legs became so stiff that in order to move at all I had to use crutches. Finally the doctors decided that I was incurable, and told me they could render no could borrow money from the bank on the security of the city taxes. This would enable them to get all their ply and began to use them. The first

street work done in the spring and give | indication that they were helping me the new roads a chance to get into good | was when the pains grew less severe. ondition before the bad weather came. In a few weeks more the swelling in More than that, there was quite a num- my legs and hips began to leave, the her of men in the town out of work. My joints seemed to loosen up, and and the city could assist them a little by finding them employment. then it was not long until my crutches were thrown aside and I could straighten up. Then I began to go out doors and soon was able to resume my work as well as ever. Since that time I have never been troubled with

Mrs. Isabel Sanderson, who has resided in Victoria for the past eighteen years, died at the residence of her son-in-law, William Dee, Alfred street, yesterday afthe dat the city hall last evening. The following members were present: Morris Gordon, Kamloops, chalrman; Director and Stevens, of Vancouver; Mrs. Jenkins, and Messrs. Johnson and Dallain, Victoria, with Dr. Fagan, secretary.

Matters of imprtance were discussed. The annual meeting to receive the governor's report was set for the first. The annual meeting to receive the governor's report was set for the first. The annual meeting to receive the governor's report was set for the first. The annual meeting to receive the governor's report was set for the first. The annual meeting to receive the governor's report was set for the first. The report of the engineer regarding the water power at the society's ranch the water power at the society's ranch the water power at the society's ranch the water was received. The report stated that at this time of the year, when the water is lowest, the supply was sufficient to generate 125 to gove power, which was in excess of the needs of the institution. The importance of this from the standpoint of furnishing power to the sanatorium is of the greatest moment. It is hoped in time when the funds are available for the purpose, that the lighting shall all to done by this cheap power.

The report from the architect was received regarding the prosent building.

F. D. Elworthy sent in a report on the method which he thought should be followed with regard to keeping the books. This is a very important matter as the ranch account will be followed with regard to keeping the books. This is a very important matter as the ranch account will be followed with regard to keeping the books.
