The boundary between Quebec and Newfoundland in this area is the crest of the watershed of the rivers flowing into the Atlantic Ocean; to date of publication it has not been surveyed nor monumented.

Dans cette r  gion, la limite entre les provinces de Qu  bec et de Terre-Neuve est constitu  e par la ligne de fa  te du bassin hydrographique des cours d'eau se jetant dans l'Atlantique;    la date de mise sous presse cette limite n'avait pas fait l'objet d'un lev   ni d'un bornage.
