THE ALLEGASH DAM. Another Development in the Main Legislature.

Another Development in the Maine Legislature.

AUGUSTA, Feb. 21.—For several weeks there has been much discussion over the provisions of the bill for the incorporation of the East Branch Improvement company. The promoters have claimed that there is no nigger in the woodpile and that it has not at present but this explanation has not proven satisfactorily to lumbermen along the St. John, who have expressed the belief that the bill is drawn so as to provide for the withdrawal of water from Heron lake and the Allegash for use in the East Branch.

Another shot has now been fired in this contest as in the house Tuesday. Representative Sweeney of Fort Kent introduced an act which, if passd, will prevent the water of Heron lake from being diverted into Chamberlain lake and the East Branch, and will also deprive the East Branch Improvement to company of the rights it claims under the charter of the Heron Lake Dam company, granted in 1846, the incorporators of the East Branch Improvement to, having recently purchased the property of the Heron Lake Dam Co.

The bill presented by Mr. Sweeney

The bill presented by Mr. Sweeney repeals chapter 389 of the private and special laws of 1846, entitled, "An act to incorporate the Heron Lake Dam company." The bill also provides that any person or persons or any corporation who diverts the waters of Heron lake or the Allegash river, backward into Chamberlain lake, through Telos lake and Webster pond into the East branch of the Fenobscot river shall be deemed guilty of maintaining a public nuisance and shall be sentenced upon conviction therefor to pay a fine of \$1.000 per day for each day such nuisance is maintained.

CAMPAIGN NOTES.

A Question for D. C. Fraser to Answer This Evening.

The Opposition Gaining All Along the Line-Osman Opposes Blair's Federal Cry.

A public meeting for workingmen will be held this evening at Labor Hall, Oddfellows' Building, Union street. All teamsters, masons, carpen cially invited. Addresses will be given by G. A. Blair, M. G. Kelly, John Killen, Samuel Cook and opposition can-

Messrs. Anderson and Agar, the opposition candidates, will speak at Mispec tonight.

There will be a grand rally at Carle-ton City Hall tomorrow, Thursday, evening, at which the candidates will address the electors.

The I. C. R. grants excursion rates The I. C. R. grants excursion rates to all who will go to Moncton to hear Mr. Blair speak in favor of the Tweedle government. Isn't that nice? Advices from Kings, Queene, Kent, Charlotte, York, Northumberland, Carleton, Albert, Westmorland, Sunbury, Restigouche and Madawaska indicate an opposition victory all along the line. The attempt to force the fight on federal lines in some counties and not in others has injured the chances of the government, for it is a betrayal of the government's case.

ONLY TWO MORE DAYS GENTLEMEN OF THE OPPOSITION MAKE THEM FRUITFUL DAYS, TO MAKE THEM FRUITFUL DAYS, TO THE END THAT ON SATURDAY NEXT YOU WILL BE REPRESENT-ED AT THE PORLS BY THE VERY BEST MEN IN THE WARDS—MEN WHO KNOW THE VOTERS AND ARE QUICK TO DETECT ANY SHARP PRACTICE ON THE PART OF THE GOVERNMENT HEELERS. THE VICTORY MUST BE DECISIVE.

Fraser's here! Huroo!! A government that can't stand along bught to be toppled over.

ought to be toppled over.

His colleagues in the government have declared want of confidence in Hon. H. A. McKeown. Though he is a "brilliane young orator" and all that, they dare not trust him to conduct the campaign in St. John. They send for Mr. Blair and then for Mr. Fraser. Mr. McKeown should resent this kind of treatment.

The premier of New Brunswick has entirely ignored St. John in this cam-paign. He has not made a single speech here. Why?

Give the boasters' the worth of their boasting on Saturday. Mr. Osman, government candidate in Albert, is opposed to a fight on federal

Mr. Mott captured a government meeting at Campbellton last evening, at which Tweedie, Labillois and Mc-Latchey spoke. The crowd called for Mott and he held the fort from the time Tweedie stopped speaking at 10.30 until midnight, carrying the audience with him in his denunciations of the government.

government.

Mr. MacAlpine says Mr. Ellis is guilty of political ingratitude. For what is Mr. Ellis indebted to such liberals as Mr. Tweedie?

"Mr. Hatheway is a counterfeit," says E. H. MacAlpine. Mr. Hatheway will ring true on Saturday, when the counterfeit liberals are turned down as hozus coin.

counterfeit liberals are turned down as bogus coin.

Mr. Carleton at Milford last evening again trotted out the "flour trust," of which D. J. Purdy is a member. Why doesn't Mr. Purdy nail that slander against himself and the other merchants of St. John?

"Many Hazen men have been nominated. Can you put your finger on one of them who is sure of election?" enquires the Telegraph. There are four in this constituency who will be elected.

HON. MR. DUNN BACKED OUT.

HON. MR. DUNN BACKED OUT.
The statement is being circulated in Musquash that Fred M. Anderson will speak at that place in joint debate with Hon. Mr. Dunn. The statement is not correct and is made without any authority from Mr. Anderson, who has already challenged Hon. Mr. Dunn to a joint debate, which the latter declined. Recently Hon. Mr. Dunn extended an invitation to Mr. Anderson to be present at the government meeting in Musquash. Mr. Anderson agreed to do so if allowed half the time, which was refused, and he was told he would have to take what time there would be to spare for him. This offer he, of course, refused, as a fair hearing would not be posssible under such circumstances.

enough to make a borse laugh.

THE STREET CAR MEN.

As a sample of the kind of talk the government party heelers are indulging in the Star yesterday quoted the statement of one of them that they would round up the whole street rail-way vote for Tweedie. The silly Telegraph tries to make it appear that in doing so the Star slandered the street car men. Of course the Star did nothing of the kind. Why should it attack them, when the large majority of them are going to vote the straight opposition ticket? The Telegraph is too silly.

THE HON. D. C. FRASER.

THE HON, D. C. FRASER.

He has come. He has arrived. He is here. At last we are to have the truth. D. C. Fraser is in town. It is announced in six places and in four or five kieds of type in this morning's Telegraph. Mr. Fraser is to speak in the York Theatre tonight. He knows all about New Brunswitck politics. He has lived here so long that he can give you day and date for everything, and he knows that Mr. Tweedle is a great economist and a tried and true liberal. The government party have not done justice to Mr. Fraser. They did not have a band at the depot to meet him, and so far as stated, there will not be any band at the York tonight. When a great authority on New Brunswick politics is about to deliver himself of a message to the people there should be great rejoicing. Mr. Fraser will speak in the York Theatre, but he can easily be heard at the Suspension bridge. This will be a great advantage to those who cannot get into the York. The Star cordially welcomes Mr. Fraser to this contest, His coming is the strongest possible evidence of the hopeless condition of the government party. Even Mr. Blair could not save them, and they sent for Fraser. Verily, they are on the run.

A SWEEP IN CARLETON CO.
WOODSTOCK, Feb. 25.—Never was
Such enthusiasm shown at any-political meeting in Hartland as that which
greeted the opposition candidates there
last evening. The hall was crowded
to the doors and cheers rang from
every part of the house in response to
every point made by the respective
candidates.

Mr. Flemming spoke at great length
and with his usual eloquence made a
most favorable impression upon every
one there. Messrs. Hartley and Smith
critized severely the Tweedie-Pugsley
administration and were heartily cheered. Hartland reports a sweeping majority for the opposition candidates. A SWEEP IN CARLETON CO.

A COWARDLY THREAT.

A COWARDLY THREAT.

In a speech last evening George Robertson said "he had faith that the good sense of the community, with its banking, commerce, real estate and other interests, would not permit its committing suicide, but that wanting assistance for these works from the dominion sovernment is would strengthen Mr. Blair by returning the local government to power."

If the Tweedie government is overthrown, as it deserves to be, will not Mr. Blair still be minister of railways and St. John's representative in parliament? Will it not still be Mr. Blair's duty to do justice to his constituents? Does Mr. Robertson say that unless the people of St. John sacrifice their convictions for the sake of Mr. Tweedie that Mr. Blair will wreak vengeance upon the city? Let us understand this thing. Perhaps Mr. Robertson will go a little more into particulars tonight. The people ought to be told plainly with what weapon Mr. Blair will smit them.

CONDEMNS MR. BLAIR.

ANSWER THIS, MR. FRASER. ANSWER THIS, MR. FRASER.

I. C. R. employes are not allowed to vote in Nova Scotia provincial elections. Hon. D. C. Fraser was for a time a member of the government of Nova Scotia. He approved of this disfranchisement of the railway men. Mr. Fraser will perhaps tell us tonight why he endorsed that iniquity.

AN EPIDEMIC.

Many Deaths From Grippe in New York and Brooklyn.

There are 920 Patients in Bellevue Hospital-An Alarming Condition of Affairs.

NEW YORK, Feb. 25.—Crowded to its utmost capacity, Bellevue hospital is hardly able to care for its patients. An epidemic of grippe has brought the number of patients in the institution up to 220.

When the limit had been reached, in order to turn no one away, spring mattresses were set up as temporary beds, and every inch of space was used in this way. So serious has the epidemic of the grip in Brooklyn become that the health department has sent out a special warning to all keepers and janitors of public buildings and instructing them to use extraordinary care in keeping the buildings properly ventilated. Corps of inspectors and their assistants have started in to disinfect all of the court rooms in the borough. This treatment may be extended to the school houses. Twelve deaths from the grip were reported last week. Since January there have been forty-six deaths from the disease in Brooklyn, which the health officials consider an alarming record in view of the fact that only fifty-three deaths from grip occurred in the entire twelve months of 1902. three deaths from grip occurred the entire twelve months of 1902.
