Beautifully Executed. 9500 to 10,000 new words in the Vocabulary. Table of Synonyms, by Prof. GOODRICH, in which more than two THOUSAND words are carefully discriminated, forming a fuller work on English Synonyms, of itself than any other issued, beside Crabbe, and believed in advance of that.

Table giving Pronunciation of names of 8000 distinguished persons of modern times. Popular use of words and terms in the Bible. With other new features, together with all the matter of previous editions. IN ONE VOLUME OF 1750 PAGES. PRICE \$5.50.

Webster's Pictorial Dictionary in Boston. "So exhaustive and satisfactory we have uniformly found it to be, that an argument and improvement seemed hardly desirable."—Boston Journal. "As a whole, the work has no parallel, nor is it at all probable that it will soon have one."—Boston Traveller.

"Leaves so little either for the strict scholar, or the man of general culture, or the limited employer of common words, to desire, that it may with truth be said, that nothing in the lexicographical line is left to be desired. The editor and compiler are, as a general thing, mounters and mole hunters."—Boston Lady.

"Some of the foremost scholars of the age, both in Europe and this country, have been occupied for years in the task of revision and addition."—Boston Traveller. "It is a fixed fact a living entity, and will maintain its place as the most complete and accurate dictionary of the language extant."—Boston Atlas and Bee.

"A monument of learning in this single line of literary art, such as no previous age has seen."—Boston Record. "Making the entire work one which cannot be surpassed and which in our estimation will remain unequalled."—N. E. Farmer.

"These important improvements must make this far in advance of any competitor in the field."—Boston Commonwealth. "To every writer and speaker of English it is indispensable."—Boston Pictorial. "This new edition is a perfect mine of knowledge, and a most complete book of reference."—Commercial Bulletin. "Appears to be as complete as it is possible to be made."—Boston Post.

From Hon. J. M. Grosvenor, "Superintendent of Public Instruction, Michigan. Office of Sup't. of Public Instruction, Lansing, June 30, 1859. Messrs. G. & C. MERRIAM, Publishers: I know not how to express my gratification with the valuable and beautiful features added to the great national work, Webster's Quarto Dictionary. They render it if possible still more worthy of the proud place it occupies as the standard dictionary of our good English language. I say standard, for while a few scholars and others here and there prefer other Dictionaries, Webster's is beyond dispute the book of the people, the common standard of appeal among the great masses, learned and unlearned, in our land. Nor need this be regretted, so long as its publishers take such unwearied pains to keep it abreast with every improvement made in the language. I can only express my very sincere hope that you may be fully rewarded for the good work you are doing in the cause of sound learning.

With considerations of high respect, I remain, gentlemen, Yours truly, J. M. GROSVENOR. S LD BY ALL BOOKSELLERS. "GET THE BEST"—GET WEBSTER. G. & C. MERRIAM, Springfield, Mass.

MRS. WINSLOW, An experienced nurse and Female Physician, presents to the attention of mothers, her SOOTHING SYRUP, For Children Teething, which greatly facilitates the process of teething, by softening the Gums, reducing all inflammation; will allay all pain and spasmodic action, and is SURE TO REGULATE THE BOWELS. Depend upon it, mothers, it will give rest to yourselves, and Relief and Health to your Infants.

We have put up, and sold this article for over ten years, and can say in confidence and truth of it, what we have never been able to say of any other medicine. Never has it failed in a single instance, to effect a cure when timely used. Never did we know an infant in a state of dissatisfaction by any one who used it. On the contrary, all are delighted with its operation, and speak in terms of the highest commendation of its magical effects and medical virtues. We speak in this manner "what we do know," after ten years' experience, and pledge our reputation for the fulfillment of what we here declare. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most experienced and skillful nurses in New England, and has been used with never failing success in THOUSANDS OF CASES. It will not only relieve the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve the BOWELS, AND WIND COLIC, and overcome convulsions, which if not speedily remedied, end in death. We believe it the best and surest remedy in the world, in all cases of Dysentery and Diarrhea in children, whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—do not let your prejudices, nor the prejudices of others, stand between your suffering child and the relief that will be sure—yes, absolutely sure—to follow the use of this medicine. If timely used. Full directions for using will accompany each bottle. None genuine unless the initials of CURTIS & PERKINS, New York is on the outside wrapper.

Sold by Druggists throughout the world. Principal office, 13 Cedar St., New-York.
