

SURPLUS FOR BIG FAIR IS PROMISED

Informal Meeting Of Directors Hear Comprehensive Report From Manager Good—Local Government Contributed.

That the Dominion exhibition would result in a surplus for the association was made clear at an informal meeting of the directors and officials last evening at which H. J. P. Good, Manager, presented his report. No figures are yet available, but it was distinctly understood at the meeting that there would be an excess of receipts over expenditures.

R. B. Emerson, 1st vice-president, occupied the chair, and there were present R. O'Brien, T. H. Estabrooks, R. R. Patchell, E. L. Rising, Manager Good, Secretary Porter and Publicity Agent Golding.

After the reading of the minutes Mr. Good was called upon to read his report, which followed:

After having had experience with five out of the seven Dominion exhibitions that have been held, I can conscientiously say that which recently took place in St. John will compare favorably with the majority. In fact, in some particulars, it was the equal of the best and in others even the superior. The industrial exhibits were of a generally excellent character, some indeed in design and method being the best, so far as my experience goes, that have been made. A gratifying feature is the number of exhibits that were had from parts of the Dominion distant from St. John, showing that the interest was widespread and sincere.

Another gratifying feature was the fact that exhibitors who had previously occupied large spaces generously submitted on this occasion, to a serious diminution. When the allotment was first made in June there was a glut and many could not be accommodated.

Mr. and Mrs. Miller will remain in St. John for a few days before proceeding to their home at Newcastle Bridge.

LIQUIDATION OF D'ISRAEL CO. IS EXECUTED

On Application Of A. H. Marquis, Judge McLeod Issued Order Yesterday Appointing Liquidator.

A new turn was given to the affairs of the D'Israeli Asbestos Company yesterday when Judge McLeod in the Supreme Court, King's Bench Division, issued an order placing the company in liquidation, and appointing T. Sherman Peters of Gagetown provisional liquidator. The order was issued on the application of Andrew H. Marquis, of Chatham, a director of the company, and a shareholder to the extent of \$1,000. The application, which was presented by M. G. Teed, K. C., sets forth that the D'Israeli Company is insolvent, and that Sidney Wood, the president, had admitted that it was not able to meet its obligations.

The petition declares also that between 20 or 30 judgments have been issued against the company in the province of Quebec, and specifies the amounts of indebtedness in nine cases, aggregating about \$2,500. It claims further that the company owes the laborers formerly employed in the mines something over \$1,300.

Accounts Confused. Owing to the confused state of the books, the petitioner claims that it is impossible to ascertain the amount of shares actually paid up, but there has been to the best of the knowledge of the petitioner, at least \$180,000 paid in to the company for stock by the shareholders.

Continuing, the petition declares:—"That your petitioner is not fully informed as to the facts relating to subscriptions or payments, and desires the same to be investigated." That in June 16 it appeared that affairs were in a very unsatisfactory state, and that a large amount of stock and assets were unaccounted for and that the directors who controlled affairs up to that time had never made a proper accounting of the affairs of the company.

Board of Directors.

The present board of directors, which was elected on June 16, is composed of the following: Sidney Wood, Digby, N. S.; T. Sherman Peters, Gagetown, N. B.; F. R. Beckwith, Bridgetown, N. S.; L. D. Morton, Digby, N. S.; A. A. Marquis, Chatham, N. B.; L. A. Codere, Sherbrooke, Que.; R. Gagne, D'Israeli, Que., and Alex. Warrel, of Sherbrooke, Que. There are 400 shareholders. In June last Emile C. Gattler, of Quebec, secured a judgment against the company for \$99.10 seizing the furniture of the office at Sherbrooke. The furniture was sold and realized something over \$200, but the judgment was not executed as other creditors promptly secured judgments against the amount realized from the sale.

The petition for the appointment of a liquidator cites the following judgments:

Foremen Campbell and Arthur Gendron for \$988.50; Joseph Boucher, \$137.40; C. Cote, \$185; L. A. Codere and Co., \$298; Moses O'Bready, \$194.25; Jas. Smith, \$612.23; J. Wolf, \$231; J. H. Parent, \$141.87; Hanington and Hanington, of St. John are solicitors for the company. A member of the firm stated yesterday that a meeting of the directors would probably be called in a few days to consider what action may be taken in regard to the new turn of affairs.

The funeral service was conducted here this morning by Rev. W. J. Dean and interment took place at Chatham.

Rev. J. J. Ryan of St. Mary's, is here today accompanied by his mother. With C. J. Morrissy they left on an inspection tour of Indian schools at Eel Ground and tomorrow will visit Burnt Church.

LORD NORTHCLIFFE PROVED RETICENT

Celebrated English Journalist Spent Few Minutes in City Yesterday—St. John and the German Menace.

Lord Northcliffe, with his wife and a party of friends passed through St. John last evening in a private car, and incidentally gave a two minutes' interview in which he touched on, if he did not illuminate such important questions as Imperialism, the Canadian navy, the German war scare, and St. John's chances of being captured by the ships of Emperor William.

When the reporters boarded the private car, they were informed that His Lordship had gone outside for a walk. "What does he look like?" the reporters asked.

"A rather boyish looking personage with a green hat, inclined to stoutness," said His Lordship's secretary. "Not that chap who looked like a youthful lumberman on a holiday?" "That's him," said the secretary.

Failing to locate the gentleman wanted, the reporters returned to the car. His Lordship, who had also got back by that time, sent out word that he had nothing to say, but Her Ladyship, seeing the reporters on the car, graciously instructed the secretary to admit them.

Located At Last.

His Lordship then received the interviewers.

"What's the news from the Old Country?" was the first question.

"Here's one of my papers," said His Lordship. "It contains all the news that's fit to print."

"What do you think of Imperialism?" "My papers are full of it," said His Lordship. "I've nothing more to add."

"Do you think Canada should contribute to the upkeep of the British Navy, or build her own?" "I believe Canada should do what she pleases about it."

"How is the German boogey?" "There's always a possibility of war."

"Is there a probability?" "I haven't been in England for a month."

"Are you thinking of starting a pulp mill in New Brunswick?" "I've all the mills I need."

"But St. John is mightily interested in the possibility of war with Germany?" "Well—it ought to be. What's to stop the Germans taking your city? The Canadian navy doesn't amount to much yet. However you can't build one in a day."

This concluded the interview.

OBITUARY.

Robert P. Hamilton.

Hampton, Sept. 22.—This morning Robert P. Hamilton, a commercial traveller, seventy-two years of age, of Belleville, Ontario, in the employ of Messrs. Simmers & Co., of Toronto, who has been taking a week's rest at the Riverview Hotel, opposite Hampton village, passed away as the result of an attack of hemorrhage of the brain last night. Dr. J. N. Smith, who had attended him, communicated with his family, consisting of his wife and a step-daughter, and also with the lodge of Foresters to which he belonged. This afternoon a telegram was received to prepare the body and send it to Belleville, which will be done.

Henry Brennan.

Henry Brennan, one of the best known men in St. John, died about three o'clock yesterday morning after a brief illness of gastritis. On Saturday evening, the 10th inst., Mr. Brennan and his wife attended the Exhibition and soon after his return home was taken ill. Medical aid was summoned, and while Mr. Brennan had been since confined to his room, his condition was not considered serious. Wednesday evening he took a turn for the worse and passed away early yesterday morning. Mr. Brennan, who was about sixty years of age, was a native of St. John and is survived by his wife, formerly Miss Jane Warrack, and four children, three daughters, Mrs. J. W. Brown, of Newark, N. J., who arrived home on Monday; Mrs. Broderick, wife of Dr. W. P. Broderick, of this city, and Miss Annabelle, at home; also one son, Henry A. Brennan, claims agent for the C. P. R. He also leaves three brothers, Thomas in Boston, Peter in New York and Martin in this city; also one sister, Miss Anne, in this city. The funeral will take place on Sunday afternoon at 2 o'clock from his late residence, 26 Water street.

Arthur Estabrooks.

The death of Arthur L. Estabrooks of West St. John, which occurred yesterday morning, will be heard of with sincere regret by a large circle of friends with whom he was very popular. The deceased, who was in his twenty-third year, was a son of Capt. and Mrs. W. Estabrooks. He leaves, besides his parents, two brothers, Messrs. Harold and George, of this city, and two sisters, Miss Florence of Nappawa, Man., and Miss Stella, who is now at Gagetown. Mr. Estabrooks has not been well for some time, but his illness only became serious on Monday. Death was due to heart failure. The deceased was well known in athletic circles as a football and baseball player. The funeral service will be held at his father's residence, 182 Winslow street at eight o'clock on Friday evening. The remains will be conveyed by river boat on Saturday to Upper Gagetown, where the interment will be made.

HON. C. N. SKINNER DIED LAST NIGHT

Continued from page 1.

For several years Mr. Skinner was also a member of the common council and while occupying that position took a keen interest in the welfare of the city. When he subsequently became the city's legal advisor in succession to the late I. Allen Jack his long and varied experience in his profession made him well fitted for the duties of his office. His mind was of the judicial cast and his opinions were the result of much careful study and preparations. In his own practice Mr. Skinner numbered his clients in all walks of life. His handling of court cases and kindness to all with whom he came in contact were strongly marked features of his character. As a speaker he was fluent, clear and logical, and had few if any superiors in his day as an orator. In June, 1896 he received the honorary degree of doctor of civil law from Kings College, Windsor, N. S. In religious belief he was a Baptist and contributed generously towards the funds of that denomination.

In later life he rented a pew in the St. John (Stone) church, one of the Anglican churches of the city, and was a frequent attendant at the services.

Oddfellowship.

Mr. Skinner had been a member of the Independent Order of Oddfellows for the past 30 years and was one of the most prominent members of that organization in the Maritime Provinces. He was some time ago presented with a veteran's jewel which is only given to those who have been in the order for 25 years in good standing. He was a member of Pioneer Lodge No. 9 and has held about all the offices in the order, with the exception of grand representative of the sovereign grand lodge. It was expected that in the coming year he would be elected to that position.

There was probably no man in the provinces or in Canada, who had held such high positions in the order as the late recorder. He was a clever and masterly speaker and in public functions in which he took part was always conspicuous for the eloquence of his address. He took a great interest in the order and was an attendant at almost every meeting of his lodge. Every year it was his custom to give a dinner at his home to the members of the lodge and the grand lodge officers.

For many years he was a prominent member of the Sons of Temperance and was a consistent worker. The older members of that organization remember him as a great strength to the order. He was also a member of the provincial grand lodge of the Loyal Orange Association and was prominently connected with the Masonic body, the Foresters and various other societies.

The funeral will take place on Saturday afternoon, but no definite arrangements have yet been made. It is expected the members of the common council and the various fraternal organizations with which Mr. Skinner was connected will pay their last respects to his memory by taking part in the obsequies.

Rex Beach's Great Story at Nickel.

One of the highest paid motion picture playrights is Rex Beach of the United States, who has been conceiving rich high-class film dramas issued by Thos. A. Edison Co. Today and Saturday at the reliable Nickel Mr. Beach's story of grit and perseverance will be shown in "With Bridges Burned," a tale of a New York young man who with his wife's plucky aid secured a monstrous South African contract in the face of wrongful discharge and apparent dishonor. Another story of fine conception and replete with dramatic situations all leading to a moral finale is "The Road to Richmond," an incident in the American civil war. "The Runaway Monkey" is pure fun and "A Good Lesson" is what its title implies. Mr. J. W. Meyers will sing his late hit "Out of the Ideal of My Dreams" and the MacBrady children will do their dainty dances and songs as so acceptably performed yesterday. Monday and two additional days next week the great dramatic Conquest at Montreal will be shown in motion picture at the Nickel.

He may make some alterations to the house, but has not yet decided what is needed.
