WANDERLUST.

I know not where the white road runs, nor what the blue hills are. But a man can have the sun for a friend, and for his guide a star. And there's no end of voyaging when once the call is heard. For the river calls, and the road calls, and Oh! the call of a bird.

Yonder the long horizon lies and there by night and day. The old ships draw to home again, the young ships sail away. And come I may, but go I must, and if you ask me why, You must put the blame on the stars, and the sun, and the white road, and the sky.

WOMEN LAWYERS.

This year Dalhousie University will have its first woman graduate in law. Miss Lillian Frances Fish, B. A., of New Brunswick, and an M. A. of Chicago. The legislation secured a year ago gives to women the right to practice law in Nova Scotia and next year the Misses Carol McInnes and Emaline McKenzie will be graduates in law—Chatham World.

MUST FOLLOW DIRECTIONS.

"Are you of the opinion, James," asked a slim-looking young man of his companion, "that Dr. Smith's medicine does any good?"

"Not unless you follow the directions."

"What are the directions?"

"Keep the bottle tightly corked."

D. OF E. EXECUTIVE

MET LAST NIGHT

Chataqua Proposal was Discussed—Madam Casgrain Expects to be in City Next Tuesday.

The executive of the Daughters of the Empire chapters of St. John held a meeting yesterday, Mrs. Hugh McKay, the senior regent, presiding. Miss Vanwart acted as secretary. The meeting considered the Chataqua proposal and passed a resolution to the effect that the Daughters would be unable to undertake the work of selling tickets.

Word was received from Madame Casgrain that she expects to be here next Tuesday and address the members of the D. E.

Her appeal for devastated France was heard. The chapters fear they cannot undertake to respond to the appeal just now as the time seems inopportune. The provincial chapter also held a meeting at Fredericton to consider these two subjects.

POTATOES, SUBSTITUTE FOR WHEAT FLOUR.

Potatoes are a good fuel. They are rich in starch which burns in the body and produces heat and energy. They also contain salts like other vegetables. When plenty of potatoes are used the bread consumption can be reduced.

POTATOES ARE GOOD IN CAKE.

They are often used in this way to keep the cake from drying out quickly. Mash the potatoes and beat up with milk until very light. You can use your usual cake recipe, substituting one cup of mashed potatoes for one-half cup of milk and one-half cup of flour.

2 tablespoons fat.

1 cup cold water, 2½ cups flour, 1 teaspoon soda, 1 teaspoon salt, 1 teaspoon cinnamon, 1 teaspoon nutmeg, 2½ cups

flour, salt, cinnamon and nutmeg, and add alternately with water to sugar

mixture. Add crumbs and raisins. Drop one tablespoonful of mixture to

each cookie on a baking sheet and bake in a moderately hot oven for

about ten minutes.

Hairs Quickly Vanish

After this Treatment.

(Helps to Beauty.)

Science has aided in simplifying the

banishing of hairy growth from the

face, and according to a beauty spec-

ialist, the most effective treatment

yet devised consists of applying a

delatone paste to the hairy surface for

2 or 3 minutes. The paste is made

by mixing equal parts of water with a

little powdered delatone. When the

paste is removed and the skin washed

every trace of hair is vanished. Be sure

to get real delatone.

SWORDS AND SCISSORS

PROVED A SUCCESS

Large Audience at Exmouth Street Methodist School Room Last Evening—Amateur Players Scored a Hit.

A play, last evening, staged in the Exmouth Street Sunday School room was a genuine success in every particular, and credit is due those participating, as well as to the able directors, Miss Minnie Myles and Miss Edith Magee. The curtain rose at 8.20 before a crowded house, when Miss Alice Dawson appeared in the prologue and in a neat recitation described the trend of the play.

The stage was fittingly decorated for the occasion, and costumes and manners depicted the early French days of 1805.

The programme carried out bore no monotony whatever and special musical and vocal selections interspersed, proved a decided hit. Special mention is to be made of the part played by Roland Johnston, who acted as Napoleon Bonaparte; to Miss Mabelle Shaw, as Empress Josephine, and to those acting as soldiers or detectives, which the different performers received showed all were doing their part in a highly efficient manner.

The play "Swords and Scissors," or known as another title—"Napoleon Caught Napping"—revealed intricacies when the Napoleonic soldier and police detective "Hypolite Moreau" was confused with another of the same name whom Napoleon considered was the same man as Moreau, a tailor of the French royalty.

Developments then placed Napoleon

in difficulties, being mixed up and entangled by the two different men, in different walks of life. Richard Dawson, who acted as Moreau, deserved merited applause, as he did his part to perfection.

The proceeds are to be devoted to the Mission Circle of the church. The following programme gives the cast of each character:

Empress Josephine—Miss Mabelle Shaw.

Ladies in waiting to the Empress—

Miss Rose de Vidal—Miss Emma Rand.

jorie James, Miss Gladys Tait.
