Left for Minto.

Vesterday morning Dr. G. G. Melvin, thief health officer, left for Minto to make an inspection of the facilities there. "Two emergency hospitals have been erected and are now receiving patients there," and the situation is well in hand. On Saturday Dr. Melvin will visit Grand Falls, where the emergency hospitals at both of these places has been sent from St. John through the Department of Health."

Clergyman Assists.

The minister of health said that in answer to a call for help received on Wednesday at 11 o'clock in the morning, from the Bathurs Lumber Co., to send help to their camps on the Tolique River, where 150 men were down with the disease, Rev. W. R. Robinson would leave on this morning's train with a supply of drugs and other requisites, to add in caring for these men. The action of Rev. Mr.
