EASTER SUNDAY SPECIAL SERVICES

Sermons Dwelling on the Day Will be Above the Average—Excellent Musical Programme Arranged by All Choirs.

"Build thee more stately mansions, Oh, my soul—
As the swift seasons roll.
Leave thy low-voiced past—
Let each new temple, nobler than the last—
Shut me from heaven with a dome more vast—
Till thou—at length art free,
Leaving thine outgrown shell,
By Life's unsetting Sea."—O. W. H.

Tomorrow, Easter Sunday, should mark the day when all should desire to see those things accomplished as typified by Oliver Wendell Holmes, when he referred to life, and its vanities.

The services in the Protestant churches promise to be above the average, special sermons dwelling on

the day will be given, and the music in the majority of the churches has been specially arranged to make the religious exercises a pleasing event. Many visiting clergymen will be in the city having exchanged pulpits with the local clergy.

In the Catholic churches the religious exercises will be of prolonged character, with fitting sermons. The sermons for the day will be delivered at the late masses. At the Cathedral the sermons will be given at the nine o'clock, 10:15 and 11:15 a. m. masses. In the evening special religious exercises will mark the close of the day's exercises. At Saint Peter's the sermons promise to be a feature of the day. At the 10:30 mass tomorrow morning a sermon will be given which promises to be above the usual high order. Special music will be given by the choir. At the other Catholic churches the services will be of the usual Easter order. The Easter lilies and other flowers usually observed in churches at this occasion will be present.

The third purpose of the fund which forms the objective of the campaign of the National Council of the Y.M.C.A. next month, is to promote social work among factory operatives in industrial centres, and to inaugurate Y.M.C.A. work in lumber and mining camps and similarly isolated industrial communities.

G. P. Whitcomb of the 8th Howitzer Battery, who returned home a short time ago, has been appointed to the Headquarters Discharge Staff, St. John with the promotion to sergeant.

Many friends here of Gunner Adrian B. Gilbert, who has been with a Bore Battery overseas, were interested to learn of his return to his home in Fredericton a few days ago.

On Wednesday evening the monthly devotional meeting of the Women's Auxiliary was held at the home of Mrs. John Law, and was the most largely attended of the year. Mrs. N. H. Otty, presided. The evening's programme consisting of scripture reading, prayers, and the singing of two favorite hymns. Mrs. R. R. Reid, the treasurer, read Miss Pink's monthly letter, and Miss L. M. Peters read a very interesting paper on the influence of the W. A. in our parish, written by Miss Williston. There was an item of special interest on the programme, when near the close of the evening, a life membership in the Auxiliary was conferred on Mrs. Russell Williams, who has been a most faithful and earnest member, and whose going from Gagetown takes one whose place in the society will be hard to fill. Mrs. William Weston presented the certificate to Mrs. Williams, while the president, Mrs. Otty, placed on the gold cross of membership, and Miss Molly Otty read the letter from the members, which accompanied the presentation. Mrs. Williams replied very fittingly in spite of her surprise, and then congratulations were in order from the many friends present. A social half-hour followed, during which refreshments were served by Miss Laurie Law, assisted by Mrs. G. P. Rigby.

Rev. H. H. Gillies, rector of Jesmose, was here on Friday, and gave an address at the evening service in St. John's Church.

Pte. P. A. Murray returned from St. John on Saturday to spend a few days at home, he expects to take up a business course in St. John. Pte. Murray was one of the onlookers at Rhyl, and was standing close to the main entrance, when the "red" flag from the window. The latter was laughing and joking over the flag, which he put up on the end of his rifle, but seemed to have not the slightest idea of being a Bolshevik. Private Murray said they could hardly believe it possible when shot began to fly, especially at the disorientation camp in England. The man standing next to him sank down without a word and he looked down to see that he had received a bullet through the neck.

Many friends of George and John McDermott sympathize with them in the death of their brother, Bruce F. McDermott, which took place in Fredericton last week.

On Saturday evening's train the body of Charles Monteth, whose death took place in Boston, Mass., last week, arrived here, and the funeral took place in the hour following, the service being conducted by Rev. H. T. Buckland and interment made in St. John's Churchyard. Mr. Monteth was a native of Gagetown and spent his early days here; but leaves now the city, but seemed to have not the slightest idea of being a Bolshevik. Private Murray said they could hardly believe it possible when shot began to fly, especially at the disorientation camp in England. The man standing next to him sank down without a word and he looked down to see that he had received a bullet through the neck.

Decision was given by Magistrate T. S. Peters, at the Tuesday session of court, in the case of P. W. Gaunce, whose dog was found guilty of killing a number of sheep owned by C. H. Randall. Magistrate Peters gave the decision that the dog should be killed; and if not killed within three days, a fine of \$1.50 per day should be paid until the order was carried out; a fine of \$20 was to be paid, and costs; also P. W. Gaunce and John Johnson, whose dog was also found to have been with Gaunce's dog; but had been killed, should jointly pay the cost of the sheep.

Frank Braydon, the twelve year old boy, who was arrested last Saturday on the charge of stealing a shotgun and cartridges at Hamilton Mountain, was committed to jail to await the next session of court, after the preliminary hearing given him on Monday of this week.

REAL LEAGUE OF NATIONS NEEDED

A League That Will Provide Means for General Pacification of the World.

London, April 16—Lord Robert Cecil, the British authority on a League of Nations, in the House of Commons today said that he hoped that the League would be a real league and not merely a league of the allies to safeguard the future world peace.

He went not only to secure justice, or even security, for those engaged in this war, but to secure means for a general pacification of the world and to secure co-operation between all nations.

Lord Robert said it was impossible to exaggerate the economic situation in Europe. He wanted the indemnity question settled, and the blockade lifted as soon as possible.

THE BIG HEALTH DRIVE HAS BEEN STARTED

TO BUILD UP THE BLOOD OF THE PEOPLE

Spring is the Time When People, Worn and Weary After a Hard Winter, Need a Tonic to Restore the Blood and Renew Energy and Ambition.

It is one of the most persistent traditions of the human race to take a tonic for the blood in the Spring, and like most of the accumulated wisdom of mankind, it has a sound scientific basis. Winter is always a trying season for people who have small reserve of physical strength. Not many of us get as much exercise and out-of-door air in winter as in summer. Much of our time is spent in rooms none too well ventilated, our diet lacks the fresh green foods of summer, and it is no wonder that the blood grows thin and sluggish with ill effects on the entire system.

Many people who need a tonic neglect it, because they are not sick enough to cause them any worse feeling than one of fatigue and discomfort. They do not realize that the decline in health is so gradual that they, themselves, do not realize how far from normal they are until the pale face, weak nerves, languidness and irritability attract the attention of friends. Even then a tonic is the right remedy, and there is absolutely no other tonic to compare with Dr. Williams' Pink Pills. This medicine builds up and enriches the blood and sends renewed health and strength to every part of the body. The appetite is improved, the digestion is toned up, there is new color in the cheeks and lips, vigorous health replaces weariness and lassitude and you find a new joy in living.

INDIGESTION CURED.

Mrs. Harry Old, Nipissing, Ont., says: "For a long time I was a great sufferer from indigestion. I could not eat a meal without undergoing much suffering and as time went on I naturally became much run down and found the greatest difficulty in doing my housework. In fact only those who have suffered from stomachic trouble can realize how deplorable my condition was. I was treated by a doctor, but as he was not helping me I began taking other medicines, and I had used several kinds without benefit before I heard that Dr. Williams' Pink Pills were recommended for this trouble. The result was that I was constantly growing weaker and weaker when my mother advised me to try Dr. Williams' Pink Pills. After using a few boxes I found they were helping me, and I continued taking them until I had used eight boxes, by which time the trouble had entirely disappeared and I was again enjoying the best of health."

A NERVOUS WRECK.

Miss Faith Scott, Brantford, Ont., says: "It would be difficult to find a person more benefited by Dr. Williams' Pink Pills than I have been. At the time I used them I was a nervous wreck, suffering from sleeplessness, and my mother advised me to try Dr. Williams' Pink Pills. After using a few boxes I found they were helping me, and I continued taking them until I had used eight boxes, by which time the trouble had entirely disappeared and I was again enjoying the best of health."

ST. VITUS DANCE CURED.

Mrs. William Hill, Stratford, Ont., says: "I suffered from a nervous breakdown after the birth of my first child, and the trouble developed into St. Vitus dance, which put me into such a condition that I was scarcely able to do my housework; my hands twitched and trembled so that I could scarcely hold anything, and I walked so unsteadily that I was afraid to go out. Before beginning the use of Dr. Williams' Pink Pills, I tried several remedies, but they did not help me. It was on the advice of a friend that I took the pills, and in a short time they made a complete cure and I have my health fully restored. I most warmly recommend these pills to anyone who may be in poor health."

DIZZINESS AND FATIGUE.

Miss Beatrice M. Thomson, Guelph, Ont., says: "I have derived great benefit from the use of Dr. Williams' Pink Pills. For nearly a year I was troubled with anemia, and many of its attendant evils. My face had a pale, tired, worn-out appearance, and I suffered from dizziness and fatigue. I tried many medicines, but instead of helping me I was actually growing worse. I was advised to try Dr. Williams' Pink Pills, and by the time I had used six boxes I felt much better. I continued using the pills until I had taken six boxes, when I found my health fully restored. I most warmly recommend these pills to anyone who may be in poor health."

DO NOT BE PERSUADED TO TAKE A SUBSTITUTE.

See that the full trade mark name, "Dr. Williams' Pink Pills for Pale People," is printed on the wrapper around the box. If you cannot get these Pills through your dealer they will be sent by mail at 50 cents a box, or six boxes for \$2.50, by The Dr. Williams' Medicine Co., Brockville, Ont.
