

Grasping the Thistle.  
"Go to bed, sir," cried the enraged father to his son, who had given him cause for offence. "Were it not that these gentlemen are present, I would give you a sound whipping, but you shall have it before breakfast tomorrow morning—that I promise you!"  
The little rebel retired with a heavy heart. They heard him climb the stairs and shut the bedroom door.  
The father's party continued until a late hour.  
Just when it was about to break up, the door of the room opened and the young offender put his head into the room.  
"Father," he requested, "would you please give me a sound whipping tonight? I can't get to sleep thinking about it."

Another Candidate.  
Dressed in the latest and most approved motorcycling costume, with goggles, etc., complete, the motorcyclist galloped to the Zoo. Suddenly he slackened, dismounted, and said to a grubby archer:  
"I say, my boy, am I right for the Zoo?"  
The boy gasped at so strange a sight and thought it must be some new animal for the Gardens.  
"You may be all right if they have a spare cage," he said.

A Short Cut.  
Said the old philosopher: "You have placed before me a number of piles of pebbles, only five, which, except the first, is greater than its neighbor on the left by one. Beginning with the first pile, having one pebble in it, the sum of any consecutive piles can be quickly found by multiplying the middle pile by the last pile. For example, the sum of the five equal piles is 150 times 15 or 19,500; subtracting the sum of 1 to 38, which is 19 times 37 plus 38 or 741, the difference, 19,159 is the sum of the piles 39 to 199. The sum of piles 1 to 379 is 140 times 279 or 39,060; the sum of 1 to 399, as already shown, is 19,900; the difference, 19,160 is the sum of piles 400 to 379. The second pile, therefore, is the greater by 1."  
What is the quickest way to find the sum of a series of numbers?  
Colmanically, the answer to the old philosopher's query is "Yes."

Try to find this out. If you can't, here is the answer:  
Tessier: The sum of piles 1 to 399 is 190 times 199 or 19,900; subtracting the sum of 1 to 38, which is 19 times 37 plus 38 or 741, the difference, 19,159 is the sum of the piles 39 to 199. The sum of piles 1 to 379 is 140 times 279 or 39,060; the sum of 1 to 399, as already shown, is 19,900; the difference, 19,160 is the sum of piles 400 to 379. The second pile, therefore, is the greater by 1.  
(This is the author's "shortest way"; have you a shorter?)

SUN CLOCK ALWAYS ON TIME.  
The first thing we do upon striking camp is to drive a stake about five feet high firmly in the ground in an open place near camp. A scout is directed to stick in a peg at the end of the shadow every hour during the day. There were only two watches in camp, one ran down and the other lost time, but the sun clock showed the time, and the sun shone—Dr. Donald Morrison.

MOVING PICTURE FUNNIES.  
Cut out the picture on all four sides. Then cut along dotted line 1, its entire length. Then dotted line 2, and so on. Fold each section underneath accurately. When completed turn over and you will find a surprising result. Save the pictures.

# PENCIL PICTURES

MARGIE who lives in the country often roams about the fields and frequent stops at a little cabin occupied by Mammy Jenny, who does the washing for Margie's mother and some other people near by. The cabin is full of curious old things made by Mammy's dad and granddad, and on the wall there's something that particularly interests Margie and Mammy always tells her about it and though part of it is missing (you'll see) and it isn't of much account, Mammy still treasures it. The dots will show you what it is.

## Schedule For The Intermediates

The following is the schedule of the City Intermediate Basketball League from November 23 to March 15. The games on Wednesday will be played on the Y. M. C. A. floor and those on Saturdays at the Y. M. C. A. floor.

Nov. 23rd—YMCI vs St. David's.  
Nov. 26th—YMCI vs High School.  
Nov. 29th—Business Boys vs Outlaws.  
Dec. 3rd—St. David's vs St. George's.  
Dec. 7th—St. David's vs Business Boys.  
Dec. 10th—YMCI vs YMCI.  
Dec. 14th—Business Boys vs St. David's.  
Dec. 17th—Outlaws vs St. George's.  
Jan. 4th—YMCI vs High School.  
Jan. 7th—St. David's vs YMCI.  
Jan. 11th—Outlaws vs St. David's.  
Jan. 14th—Business Boys vs St. G.  
Jan. 18th—High School vs YMCI.  
Jan. 21st—St. David's vs YMCI.  
Jan. 25th—St. George's vs St. David's.  
Jan. 28th—Outlaws vs Business Boys.  
Feb. 1st—YMCI vs YMCI.  
Feb. 4th—High School vs St. David's.  
Feb. 8th—St. David's vs Outlaws.  
Feb. 11th—St. David's vs Business Boys.  
Feb. 15th—YMCI vs St. David's.  
Feb. 18th—High School vs YMCI.  
Feb. 22nd—St. George's vs Business Boys.  
Feb. 25th—St. David's vs Outlaws.  
March 1st—Business Boys vs St. David's.  
March 4th—YMCI vs High School.  
March 8th—St. David's vs St. George's.  
March 11th—Business Boys vs St. David's.  
March 15th—YMCI vs High School.  
March 18th—Outlaws vs St. David's.  
March 21st—St. David's vs YMCI.  
Business Boys vs St. G.

## The Mt. Allison And Acadia Game

Played Under Adverse Weather Conditions—Mt. Allison Happy Over Victory.

(Moncton Times.)  
Sackville, Nov. 11.—The Mount Allison Varsity football team upheld her enviable season's record by defeating Acadia University team on the college campus here yesterday afternoon by the score of 6 to 3.  
The game was played under adverse weather conditions, sleet and rain which began to fall early in the morning and continued up to and including the time of the game making the already snow-covered field most detrimental to good football.  
Referee Norm. Ralston, of Amherst, blew his whistle at shortly after 3 o'clock, kicking the ball off. The teams lined up as follows:  
Acadia—Fullback, Small; halfbacks, Murray, Clark, Anthony, C. Lewis; quarterbacks, Robinson and Grimmer; forwards, Eaton, Webb, McLeod, Lewis, Brown, Wigmore (captain), Schurman.  
Mount Allison—Fullback, Flood; halfbacks, Ferguson, Clark, Pease, Elliott; quarterbacks, Wynn, Taylor; forwards, Taylor, Fleming, Prince, Norris, Myer, H. Ashford, R. Ashford (captain).  
After the kickoff and return, Acadia immediately showed an aggressive spirit, rushing the ball into Mount Allison territory and keeping it there for some time. Within the first five minutes of play a pretty piece of half-line work ended in Clark planting the ball on the other side of Mount A's line for Acadia's first try. Clark tried to convert his own try taking the kick from almost directly in front of the goal posts. The attempt failed.  
This seemed to arouse the home team to action. The ball was carried into Acadia territory, the half line getting in some pretty runs, but their smooth working combination was greatly handicapped by the gummy condition of the ball and the slippery field. When the first period ended about half finished, however, Elliott, Mount A's wing halfback, secured the ball, straightened it, and with a back and fullback and fell on the ball on the other side of Acadia's line for Mount A's first try of the game. Wynn attempted the convert, but was unable to secure a field goal. The angle from which it was necessary to take the kick.  
The remainder of the half saw Mount Allison on the offensive with the ball mostly in Acadia territory. The half line of the Mount A's made some spectacular runs but was unable to penetrate their opponents' defense. The first half ended without further scoring. Score at half-time: Acadia, 3; Mount Allison, 2.  
Mount Allison kicked off at the beginning of the second half. The ball was soon in Mount A's territory. The Wolfville collegians following up and assuming the offensive successfully. The ball was soon in Mount A's five and ten yard line where it remained for several scrimmages. The Red and Black's forwards were healing well and several times it looked as though their half line would get away for a try when the lack of tackling of the Mount Allison team, however, found difficulty in getting the ball past their twenty-five yard line. Flood, Mount A's fullback, was playing a hardy game for his team, kicking the ball into the end zone and relieving many dangerous situations. Driffling was well used throughout the game but more particularly in the second half. In this way Mount A. gained some ground and managed to get the ball from her ten and fifteen yard lines into Acadia territory. At last Mount A's offensive came. Her half line got the ball and Appleby, star halfback went through on a pretty run for Mount A's second touchdown. The convert was again from a difficult angle and Wynn was unable to add the extra points.  
There was about ten minutes of play remaining. Nothing daunted by Mount A's second try, Acadia again assumed the offensive but were unable to penetrate the Mount Allison defense. Driffling did much to relieve the situation for the home team. The ball would go from one end of the field to another and in the meantime the game was drawing to a close. Acadia made a last desperate and almost successful attempt to tie the game. Play hovered in Mount A's territory and the Blue and Red backs almost got away on several occasions. Mount A. proved equal to the occasion, however, marking their territory. At last Mount A's half line was rushed into Acadia territory and Mount A. began to take the offensive. The whistle blew for full time. Score at end of game—Mount Allison 6; Acadia 3.  
The game was good to watch from the spectator's standpoint, in that it was very closely contested and hard fought throughout. The condition of the grounds did not permit the best brand of football. The slimy ball was the cause of many offside plays. This together with a difficulty in getting the ball into the scrim kept the game from being a free-for-all. A supporters point out that their half line which has acquired some what of a reputation consists of men who are given to delinquency and are therefore hampered tremendously on a wet field. They point out that dry grounds would have been unusually beneficial to them. It would scarcely be fair to say this of one team any more than another.

## Bowling Results In Local Leagues

GARRISON LEAGUE.  
Last night, on the Armory Alley, in the Garrison League, the Headquarters team took three points from the R. C. A. S. C.; the 6th Signal took four points from the 15th Heavy, and the R. C. E. won four points from the Dragons. The scores follow:  
R. C. A. S. C.  
Capt. Winter, 82 84 70 236 73-2  
Alderman, 76 70 81 226 75-1  
Garrett, 69 75 68 212 70-2  
Sweet, 59 70 66 224 74-3  
DeVenna, 53 72 251 77  
397 372 360 1129  
Headquarters.  
Stegmann, 84 81 74 239 79-2  
Col. Snow, 74 71 72 217 73-1  
Capt. Purkin, 74 73 76 223 73-2  
Choppin, 63 83 81 238 79-1  
Landry, 55 78 76 239 79-2  
386 397 369 1152  
15th Heavy.  
Arthur, 71 66 88 255 75  
Dykeman, 80 70 85 235 73-1  
Ryder, 70 73 76 218 72-2  
Millican, 78 76 84 238 86  
Danney, 59 63 66 188 62-3  
358 368 398 1124  
8th Signal.  
McArthur, 89 83 79 251 82-3  
McNulty, 78 70 83 236 78-2  
Cholman, 71 61 82 214 71-1  
Leclair, 84 99 82 266 88-3  
Montgomery, 79 78 79 236 78-2  
491 391 411 1203  
N. B. Dragons.  
Bogan, 69 69 71 199 66-1  
Bayard, 63 51 73 184 61-3  
Blackwell, 62 60 68 188 62-3  
Rising, 77 71 80 128 76  
Col. McLean, 80 92 89 261 87

R. C. E.  
Leese, 70 61 70 201 67  
Belt, 65 75 67 207 69  
Gowan, 74 64 82 220 73-1  
Gordon, 77 91 69 237 78  
Russell, 74 76 78 228 76  
369 367 366 1093  
WELLINGTON LEAGUE.  
In the Wellington League series on the St. W. V. A. Alley last night the Macaulay Bros. team captured all four points from the St. George's A. C. scores follow:  
St. George's A. C.  
Norris, 79 81 80 240 80  
Lansbury, 63 51 73 184 61-3  
Maxwell, 74 97 86 256 85-3  
Sealey, 94 83 86 263 87-3  
Pike, 70 82 82 234 82  
354 408 411 1203  
Macaulay Bros.  
Davidson, 84 73 104 263 87-3  
Hodges, 78 97 94 269 82-2  
Crosby, 67 76 71 213 72-1  
Brown, 57 89 66 242 80-3  
Breen, 79 105 92 277 92-3  
397 440 431 1268  
Tonight—C. N. R. vs. Nashua.

## Senior League Is Reorganized

Players of Three Y. M. C. A. Teams Pooled and New Teams Entered.

At a meeting of the Y. M. C. A. basketball players, members of the Senior section of the City Basketball League, held at the Y. M. C. A. last evening, it was decided that as no other arrangement could be arrived at, that the players of the three Y. M. C. A. teams, the Seniors, Trojans and Herbs, be pooled, and that three new teams be drawn therefrom and entered in the City League.  
The players of each team and the names of the teams were not available last night, but will be announced in the course of a few days. The City League opens on the 23rd when one of the newly constituted Y. M. C. A. teams will play the Y. M. C. I. Seniors.  
Trojan's Version  
After the meeting a representative of the Trojans gave out the following version of the meeting. A representative of the Seniors was present at the meeting and against the wishes of the Trojans it was decided to disband the league and form a new one. This the Trojans entered with four other teams. A motion was then made by the representative of the Y. M. C. I. and seconded by the representative of the Y. M. C. A. Seniors, that the league consist of four teams only and the fifth be dropped by ballot. The representative of the Trojans deposited his ballot blank, as it was their wish that all five teams remain in the league, the other four ballots all had the Trojans name on and this team was dropped. This ended the meeting but he stated his team were not through with the matter yet.

## Rothsley And Aberdeen High

Fast Football Game Expected on Rothsley College Field This Afternoon.

The Aberdeen High School football team of Moncton, and the Rothsley Collegiate school team will line up against each other on the college field at Rothsley this afternoon. The game is the result of a challenge issued by the Moncton team to Rothsley to play off for the Inter-Scholastic football championship of the province.  
The Rothsley team is the champion of the Inter-Scholastic League in which Frederick High and St. John's High took part. Moncton has played games against Sackville High School and Amherst High School.  
Both teams have several games to their credit, and today's game should give a good idea of the comparative merit of the champions of the eastern and southern sections of the province.

## Secure Statement From The Referee

Protest Lodged by Mount Allison Discussed by Representatives at Meeting.

The securing of a statement from the referee as to his reasons for the decision he arrived at in the game played between U.N.B. and Mount A. at Fredericton last Friday week, was decided upon by representatives of the universities of New Brunswick, Mount Allison and Acadia, who met in the Dufferin hotel last evening to consider the protest lodged by Mount Allison.  
U.N.B. was represented at the conference by Professor John Stephenson and Captain Harrison Trimble; Mount Allison by Professor H. E. Bigelow, Austin Taylor and R. D. Hitten; Acadia by Dr. DeWolfe.  
The protest lodged by Mount Allison was that one of their players was blocked by a spectator while crossing the U.N.B. line for a try. According to a press report of the game, the referee did not take any notice of this, as the player was then in touch. U.N.B. team also contends that the spectator and player were both in touch, and that further a referee's decision cannot be protested.  
Affidavits were submitted by the student representatives to the faculty members last evening to whom they also presented their respective cases for consideration.  
One of the affidavits submitted by U.N.B. was that of a spectator who was standing immediately at the touch line, and who swore that the ball was in touch when the interference occurred.  
Mount Allison submitted affidavits of Appleby, their half, who was carrying the ball at the time of the interference; Bert Cochrane, one of the Mount Allison supporters, who witnessed the occurrence, and the statements of several other players.  
The members of the faculty decided that the referee's statement was essential to arrive at a conclusion. It will accordingly be secured, and a finding then announced.

## Y.M.C.A. Track Team Left For Moncton

Lambert, Yoemans, Thomas and Fryers Run Today in Dunlop Five Mile Race.

The Y.M.C.A. Track Team composed of Norval Lambert, Ed Yoemans, Collin Thomas, and Harold Fryers left last evening for Moncton where, under the management of the captain of the Y.M.C.A. track team, Capt. Arnold Kee, they will take part in the five mile road race today in the Dunlop trophy. They will be joined in Moncton by Horace Wetmore who is coming up from Acadia University at Waterville for that purpose.  
The Dunlop trophy was donated by the Dunlop Tire and Rubber Company, Ltd., for annual competition between Y.M.C.A. of the Maritimes and any club affiliated with the A. A. U. of C.  
In 1920 the Halifax "Y" had the honor of taking the cup. The St. John boys hope to cop the trophy this year.

## Take Exception To Moncton Statement

Member of Rothsley Collegiate Old Boys' Assn. Gives Explanation.

Strong exception was taken to a statement of the Manager of the Aberdeen High School football team, re published in the Standard of the Moncton Transcript, that Rothsley Collegiate had refused to play that team for the inter-scholastic championship of New Brunswick, but was in the U.N.B. Association in conversation with the Standard last night.  
He stated that the Inter-Scholastic League trophy was not emblematic of the football championship of the schools of New Brunswick, but was a cup put up by the U.N.B. Students' Council for competition amongst the schools which formed the chief source of supply for university players.  
Rothsley Collegiate did not, he said, claim the provincial football championship, the cup was presented by the U.N.B. Students' Council and if Moncton wished to play for the trophy they should have made application to them.  
The article published in the Moncton Transcript was not, he said, the facts in the case. What had happened he said, was that a representative of the Moncton team phoned Rothsley proposing home and home games for the championship of the province.  
Dr. Hibbard, the principal of the Rothsley school had replied that the grounds at Rothsley were not in shape but that if the Moncton boys wanted to come down they would be given a game. He said the Rothsley boys could not go to Moncton, however, as their parents objected to the boys playing games away from the school, because of the time lost from their studies.

## New England Hockey Tour Called Off

U. N. B. Unable to Get Guarantee Sufficient for Expenses from Boston Arena Manager

Special to The Standard  
The New England tour of the hockey team of the University of New Brunswick is not likely to materialize.  
George B. Brown, manager of the Boston Arena, with whom Manager D. R. Bishop of the U. N. B. team was communicating, has not been able to offer a guarantee sufficient to meet the expenses of the tour.  
The U. N. B. student body gave permission for the team to go to Boston on condition that there should be no expense to student body finances and that condition not being met the trip is off. It was the intention to play at the Boston Arena, and at Dartmouth. The U. N. B. team last season was western section title holders and also winners of the Sumner Cup.

## Carpentier's Hand Is Better

French Champion Has Already Started Light Training for Bout With Cook

Tex Rickard has received a letter from Georges Carpentier in which the French champion announced that he has started in to do some light training for his bout with George Cook of Australia which takes place in London on December 2.  
The handsome Frenchman declared that his right hand, which was injured in his bout with Jack Dempsey at Jersey City last July, is now fully recovered and that in the preliminary training stunts which he is now doing in for the Cook bout, he finds no traces of any pain.  
Incidentally Georges informed Rickard that immediately following the bout with Cook he would repair to France and make all arrangements for returning to America late in December.  
He said that he would be ready to meet Tom Gibbons in New York any time in February, or on whatever date Rickard might decide upon.  
Carpentier does not anticipate very much trouble in his bout with Cook although the latter is said to be a shifty boxer, with considerable weight behind his punches.  
Cook, however, has several good matches recently, and it may be that he will furnish Georges with plenty of work when they clash.  
Rickard also received word from Charles Long, manager of Cook, in which he asks that Rickard provide him with some matches in the event that he wins or gets a draw with Carpentier.  
Rickard said that if Cook makes any kind of a showing against the French champion he would be glad to give him a chance any time he decides to come to America.

## Harry Greb Won From Billy Shade

Obtained Newspaper Decision in Ten Round Bout at Pittsburgh Last Night.

Pittsburgh, Pa., Nov. 11.—Harry Greb, of Pittsburgh, was given the newspaper decision over Billy Shade of San Francisco, in a ten round bout last night. Greb weighed in at 164 pounds and Shade at 172. Greb outpointed Shade throughout.  
Babe Moran, of New York, outpointed Shade in the first round, and in the six round go, according to the consensus of sport writers. Moran weighed 125 and Battell 129.  
After the fight had been knocked down at half dozen times. After recovering himself he rose to his feet, but was a bit shaky on his legs when his seconds tossed a towel in the ring. The fighter, a giant negro, was hit on the back of the head with the towel. He promptly wiped his brow with it and then without further delay pointed for his opponent to resume fighting. Strange as it may seem, the man whose second interceded for him won the fight. The second did not have the heart to tell him that he had thrown the towel into the ring when the fighter was in distress and looked as though he would be knocked out.

## Second Threw Bottle In Ring

The other night in a boxing contest in a Southern city between two negro heavyweights, one of the seconds tossed the sponge in the ring and hit his fighter in the eye. This signal of defeat was to proclaim the other boxer the winner, but in some manner, ammonia was spilled on the sponge and as a result the boxer almost lost an eye.

Many articles used at the ring side besides sponges have been thrown into the ring to signal a fight, but an incident out of the ordinary is reported from down in the Panama Canal Zone, where an excited second threw a bottle into the ring when he intended to call attention to the fact that he wished to give up for his man, who was being knocked around like a football. The token of defeat worked right as far as the fighter was concerned, but the referee was dragged from the ring with a fractured skull.  
A well-known referee was telling about an exhibition which took place near Cincinnati the other night, in which a most amusing thing occurred.

## Rickard Is After The Lightweights

New York, Nov. 7.—Promoter Tex Rickard is seeking to popularize a new class of boxers—the 130 pounds. He is presenting a diamond-belt for competition, the boxer winning title to it three times, to have possession of the trophy.  
In an effort to awaken interest in the junior lightweight class, Rickard is to stage a bout between Johnny Dundee and George Chaney for the title in this new-created division. The more has brought forward the best from many quarters, and it is plain that junior lightweights are more numerous than was at first expected. Benny Valsec, Chaney, Hughie Hutchison, Bobby Michaels, Harvey Bright, Blockie Richard, Earl Harlow and various others, say that they have as much right as Chaney to compete for the title.  
In a heavyweight carnival at the Pioneer Sporting Club next Wednesday night, Al Roberts, the big Stateside, and Heavyweight, will meet Bert Casey, a young English coal miner, who comes well recommended by Jimmie Wilde. Ten rounds is prescribed for that pair in the main event.
