INMATES ABOUT NAKED

The officers of the S. P. C., in Halifax on Thursday, received word from a gentle man living in this county that there was a terrible case of sickness, destitution and suffering at the village of Maccan, a few miles from Amhenst. The officials of that society at once communicated with Am-henst, and requested that the facts of the α_{n} is at once investigated Δ_{n} represen-" 0.22 " 1.25 " 1.30 " 1.50 " 1.20 " 0.12 " 0.75 " 2.00 " 0.05 " 1.25 " 1.50 herst, and requested that the facts of the case be at once investigated. A represen-tative was sent down on Thursday and the conditions of affairs as he found them is shocking in the extreme. The case is probably the worst in the history of Nova Scotia, and it is indeed surprising that such a state of affairs could run along for such a state of affairs could run along for such a space of time. All through the pas winter, with the heavy snows and biting cold, seven human beings ranging in age cold, seven human beings ranging in age from one to eighty-four years, have been crowded together in a wretched three room hovel, sick, cold, hungry and filthy. A more saddening and elekening state of af-fairs could not be imagined. Two old bodies long past their alloted three score years and ten, a man and woman, the for-more side and the latter insome a wayfared mer sick and the latter insane, a wayfare who was taken sick on the road and sough

 shelter with the occupants of the hu who were even more wretched than h was himself, and finally, a child of one year and another of four years, ali ill clad, half starved and cold. Could a more wretched aggregation be found in all this world of sin and sorrow?

world of sin and corrow? The officer who went out from this town found the wretched dwelling, about one mile from Maccan station, on the road eading towards Amherst. The house, cottage. The immates say they have had no medi found the wretched dwelling, about one mile from Maccan station, on the road ending towards Amherst. The hows, which is a small old dwelling of the rudest sort, presented a sorry appearance. Much of the glass had been broken from the window eashes and the holes were patched up with boards or stuffed with rags. The shingles had been torn in great raticles. FLOUR, ETC. shingles had been torn in great patches from sides and roof, leaving the winds free to wander in and the rains to trickle down upon the unformation with the matter is the background of the second se

 free to wander in and the rains to trickle down upon the unforunates within. This was indeed a forbidding aspect, but the outward appearance of the heuse did not begin to be commensurate with the awful conditions which had prevailed inside through the longest and coldest winter which this generation had experienced. Opening the battered and delapidated door, the officer crossed the threshold, only to be dismayed at the evidences of PROVISIONS. only to be dismayed at the evidences of poverty and suffering. As a ready stated, New Company Will Make a Start it was found that there were even or oupants of that meerable tenement, in which an ordinary human would not b disposed to keep a dumb brute. ound a few potatoes, which were to be sed for food. In another corner of the same room o

another pile of reeking rags lies Dira-Brown, the insane woman, but she is not helple-s and therefore leaves this wretched

resting place by day. In the kitchen, on an old lounge with In the kitched, on an out founge with but covering of any sort, lies Nelson Hat-field, old and helpless, and upon an old box in the same room the stranger slept ill winter. He is now better and is able to move about a little. There is a little oom off the kitchen, without a window and in this, on another pile of filthy rags, Silas Brown has slept. More miserable inditions scarcely ever existed in human

abitation. The house is filthy beyond description being fairly alive with vermin. It con-ains no food and the inhabitants are lestitute of clothing. For instance, Dina Brown, when the house was visited, was ad only in a wrapper, without shoes, stockings or vestige of underclothing. It may be explained that Sitas Brown. Dina Brown and Elizabeth Brown are

charges on No. 1 district. The three of them combined receive \$1.75 worth of food per week. Nelson Hatfield receives from he authorities one bushel potatoes and ears Vapo-Cresolene has tour pounds of beef or pork per week. What is allowed for the maintenance of a for all forms of threat and

Inquest to Be Held. Moneton, N. B., April 3-(Special)--Wil-

ian: Daley, aged thirty-three years, belonging to Albert, Albert county, who was picked up in Moncton I. C. R. yard Friay night in an unconscious condition, died Saturday afternoon in the hospital,

Daley regained consciousness Saturday, and stated that he fell off the train and received the injuries which caused his death. When found he had a bad cut in the head,

and was badly bruised about the face. It seems he was on the Maritime express Friday night seeing D etor Carnwath and Joseph Carnwath, of Riverside, off to Montreal, where the latter was being taken for an operation. Before he started to get off the train it had got up quite a speed, and was nearly 200 yards from the depot. . It is supposed he was getting off and fell, striking his head against the rail and sleepers. Deccased had been about Mone-ton all Friday.

Coroner Purdy empanelled a jury Satur-day night, and will hold an inquest. The ody will be taken to Albert tomorrow or burial.

> North Shore Woman Loses Way in Snowstorm and is Frozen to Death.

Chatham, N. B., April 2-(Special)-Mrs. James Thomas, who lived with her nusband and family about two miles this ide of Church Point, and about the same listance from the nearest neighbors, left ier home Saturday afternoon, to snow shoe three miles through the woods to ber fathers, Maxim Martins, who lives on

he main road. She arrived safely and left for her home Sunday afternoon, about 3 o'clock. On Tuesday night she had not reached home, and her husband, who had become much alarmed at her prolonged absence, but who could not leave the children to inquire the cause, with some difficulty got

a messanger to go to her father's. When it was learned that she had not reached home a searching party set out, and on Wednesday afternoon found her dead body only about a quarter of a mile from her father's fence.

It is supposed she lost her way in the flurry of snow.

It was seen by following her tracks that the snow shoes had cut through the crust, and she had crawled on her hands and knees, and when her hands had become torn and bleeding she had put her stockings on them, and they were torn in

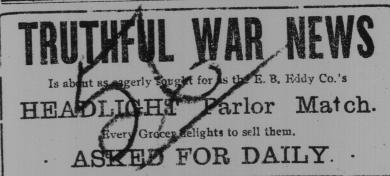

hrads Marks on the snow and broken crust told of the desperate struggle the unfor-Guthrie, Okla., April 4--The Capital National Bank, of this city, one of the oldest banking institutions in Oklahoma. The deceased was twenty-three years old, and leaves besides a husband, three and a territorial and United States de-pository, closed its doors today. It was placed in the hands of the comptreller of children, the youngest being only four

months old.
