bellton and Richibucto.

It is said that all the men and officers of the 73rd Regiment now doing garrison duty at Newcastle have volunteered, numbering three

officers and seventy-three non-coms. and men.

It is expected that the battalion will be quartered in Campbellton, Newcastle, Chatham and Richibucto. Judging from the number of men who signify their intention of joining, there does not appear to be very great difficulty in recruiting the new battalion to full strength in a comparatively short time. One report says that Campbellton has already enrolled 100 men and the other centres are going to do everything possible to raise the battalion in as short a time as

No trade-mark names or products of any particular firm or manufacturer are given.—just the regular name of each product or article. A good plan is to write down the names of all the timings usually found in a grocery store and use the list as your guide. Be careful, because Mr. Brown was clever, and sometimes he made two or three words, and even more out of a name. The judges will award the prizes in this co.test, according to the points gained by each entry and we will fully advise you of the method, when your answer is received. For instance, 60 points can be gained by sending a correct answer to each of the twelve manes you can guess, there are ten points given for general neatness, ten for style, spelling, punctuation, etc., and when you qualify. 40 points additional can be gained. Take lots of time to puzzle out your answer, be neat and careful, and you can win a good prize.

THE OBJECT OF THE CONTEST.—Every loyal Canadian will approve of the object of this great contest.
