

## ANNUAL REPORT

—OF—

**Xnox Church Total Abstinence Society.**

The Society, during the past year, has been carrying on its work in an energetic and, it is believed, profitable manner.

It was thought desirable, in order to make more of the members active workers, to depend on the talent in the Society for instruction and entertainment at the regular monthly meetings, and accordingly, very little outside help was sought during the year for that purpose. This has had a beneficial effect and greater interest is now taken by the members in general.

A request having been received from some of the prominent temperance men of the city that we send two delegates to a meeting called for the purpose of organizing a representative Temperance Association, Messrs. James Riach and Peter Foreman were chosen to represent the Society and have reported that the Association was duly organized and work begun.

The finances of the Society are in a good state, the balance as shown by the Treasurer's statement being \$5.93.

There are now enrolled 95 members, 46 males and 49 females.

The Society has, in the removal of Miss Annie McMenemy from the city, lost one of its most active workers, and desires to place on record its appreciation of the valuable assistance rendered by this lady during the past year.

All of which is respectfully submitted,

FRED. H. ROSS, *Secretary.*
