BY VISITING OUR ESTABLISHMENT

Students in Theology

While not finding on our shelves a large supply of the standard books, will yet meet many important works of current issue.

Students in Medicine and the kindred Sciences

Will always find the best representative works of Europe and America, and many books for which we are special agents (notably the publications of Mr. F. A. Davis, of Philadelphia).

**Students in Arts, Classics and Modern Languages,
History, Political Economy, the Practical Sciences,
etc, etc.,**

Will always find us ready to order and carry in stock such books as they may require for their classes, or for general reading.

Students Generally

Will find our selection to cover the very best TEXT BOOKS procurable, as we draw supplies from London, Paris, Leipzig, Boston, New York, and other educational publishing centres.

Particular attention given to Letter Orders.
