Statement of Session.

The Sacrament of the Lord's Supper has only been observed twice during the year, owing to the church improvement and want of convenient place of worship.

The Session note with pleasure the good attendance on Sabbath at both the morning and evening services.

We are much pleased to note the good attendance and the interest taken in the Sabbath School and Bible Class by the Officers and Teachers, but we fear the average attendance of children will be less than formerly on account of not having a convenient place to meet and also the prevalence of diphtheria in the village.

The number removed from our midst by death is very large. They have been taken from old, middle-aged and young. Some of those called away, we, as a congregation, greatly miss.

Let us live day by day in humble and loving trust in Christ and loyal obedience to Him, and then for us death will be infinite gain.
