WITHIN EASY REACH

That Sure Cure for Dyspepsia, Dodd's Dyspepsia Tablets—Mrs. Jassia L. Sellars Writes Regarding Them.

Dyspepsia causes more suffering in this Canada of ours than all other diseases combined. Nearly everybody has a touch of it. One simply has the blues, another has those mean sick headaches, yet another is suffering from "nerves," while hundreds and thousands are troubled with pains in the chest and abdomen, gas on the stomach and the dozen other accompaniments of the great dispeller of happiness.

And within easy reach of all these is a speedy relief and permanent cure—Dodd's Dyspepsia Tablets. They digest the food themselves—that is the secret of their success. The proof is in letters like this:
"I believe Dodd's Dyspepsia Tablets have made a sound cure of me after taking four boxes, after being seven years almost a dying woman. Now, thank God, I am able to do my daily work as usual. I cannot praise Dodd's Dyspepsia Tablets too much for they have brought me almost from death to life."
Yours respectfully,
"MRS. JASSIA LOUISA SELLARS,
"Western Bay, Newfoundland."

CHRIST CHURCH

The services in Christ Church will be exceptionally interesting to-morrow morning. The Rev. L. N. Tucker, organizing secretary of the General Board of Missions of the Church of England in Canada, will occupy the pulpit. Mr. Tucker is a very earnest and effective speaker and all interested in the work of the church should try to be present, that they may learn something of the new movement, and what the church proposes to do. His addresses are very instructive and inspiring.

\$6.25 PER TON

That is the Price Asked for Anthracite Coal in Buffalo—No Duty on it, Either.

The Detroit Tribune to-day says: It was stated at the city hall yesterday that owing to the delay in getting the east side coal yards established, there is a little delay in the delivery of fuel to east sides, but to-day and to-morrow 15 double teams will be hauling all day long to homes east of Woodward avenue.

Over 125 tons were sold at the city hall office yesterday, and not more than that amount is expected to be sold to-day. Mayor Maybury said he had an offer yesterday of some hard coal, but he told the man who offered it that the city was not buying luxuries. He received a letter from Mayor Knight of Buffalo stating that anthracite coal is being sold in that city for \$6.25 per ton, and that people are even complaining at that price.

"I would very much like to have some kind friend," said he, "tell me why they are charging nearly double that price for hard coal in Detroit." To relieve the congestion at the city hall, for the crowds there are tremendous all day long, orders can be given at the mayor's office, and after Tuesday morning. It was stated yesterday that only one adverse criticism of the municipal coal pile had been received at the mayor's office and that this came from somebody who did not care to sign his name.

A GUARANTEED CURE

For All Forms of Kidney Disease

We, the undersigned Druggists, are fully prepared to give the following guarantee with every 50 cent bottle of Dr. Pettigill's Kidney-Wort Tablets, the only remedy in the world that positively cures all troubles arising from weak or diseased kidneys.

GRAU'S OPERA CO.

At the Grand on Monday night. A Chicago critic says: "It is perfectly safe to say that there is not in America to-day the material for another company of artists who could have sung 'El Capitán' as it was sung last night and made such a success as was made last evening by sheer force of legitimate art were the charms of 'El Capitán' converted from stage to audience. The environment of the singers was lost track of entirely in the pleasure created by their superb vocalism. No more flattering tribute could be paid to any of the artists than to declare that their art was overwhelming. It can truthfully be said that 'El Capitán' is one of the greatest productions that has ever been witnessed in the city of Chicago. The stage settings, costumes and accessories are simply gorgeous."

Grau's world-famous Opera Company will present this great opera at the Grand Monday, Jan. 26. There is no doubt, from present indications, judging from the numerous seat sales, but that the Grau Opera Company will be greeted with a packed house on Monday night.

VON BALLESTREM RESIGNS.

His Rulings in the Reichstag Were Disapproved.

Berlin, Jan. 24.—Count Von Ballestrem has resigned the Presidency of the Reichstag in consequence of disapproval with his attitude during the attempt, January 20, of Herr. Vollmar, Socialist, to raise a debate in the House on the charges brought against the late Herr Krupp and on Emperor William's telegram and speeches on the subject. The President at that time declined to permit the discussion on the ground that it was out of order to discuss a private person while debating the budget. His action called forth violent protests from the Socialists, who asserted that he was violating the rights of the Reichstag.
