

therefrom made and certified by the Rector (*Curé*) of the said Parish for the time being, or other person having the legal custody of such duplicate, or by the said Prothonotary, shall be *primâ facie* evidence of the facts therein stated. 5

Prothonotary at Quebec to make copies of the Registers up to the end of 1849, and deliver them to the Rector of the Parish, &c.

II. And be it enacted, That the Prothonotary of the Superior Court at Quebec shall make, in books authenticated by one of the Judges of the said Court, in the manner by law required with regard to books in which registers of baptisms, marriages and burials are to be 10 kept, true copies of the registers of the said Parish of record in his office, up to the end of the year 1849, and shall attest the same as true copies by his signature, and deliver them to the Rector (*Curé*) of the said Parish for the time being, or other person entitled to the 15 custody of the registers of the said Parish, to be kept in the archives of the *fabrique* thereof; and extracts from such copies, made and certified by the Rector (*Curé*) of the said Parish for the time being, or other person having the legal custody of such copies, shall be *primâ facie* 20 evidence of the facts therein stated.
