### DODD'S KIDNEY PILLS MAKING A REPUTATION IN THE WEST

#### Saskatchewan Man Tells How They Cured Him, After Four Months' Suffering from Backache and Other Forms of Kidney Disease.

St. Phillips, Sask., (Special)—In a new country, where changes of climate and impure water are among the difficulties to be surmounted, kidney trouble is prevalent. It is the kidneys, the organs that strain the impurities out of the blood, that first feel any undue strain on the body. Consequently, Dodd's Kidney Pills have been well tried and tested in this neighborhood.

They have stood the test. Many settlers tell of backache, rheumatism and urinary troubles cured by Dodd's Kidney Pills. Mr. Otto Olszewski is one of these. In speaking of his cure he says:

"I suffered from kidney disease for four months. My back ached. I had heart flutterings, and was always tired and nervous. My skin had a harsh, dry feeling; my limbs were heavy; and I had a dragging sensation across the loins.

"I consulted a doctor, but, as I did not appear to improve, I decided to try Dodd's Kidney Pills. I used six boxes, and now I am all right."

Dodd's Kidney Pills always stand the test. Ask your neighbors.

### Safe That Time.

Sportsman (in auto, calling to boy plowing in field by roadside)—"Hi, there, sonny! See anything to shoot around here?"

Boy—"Yep; but ye needn't be scart, mister. It's jest my luck always not to have my gun along with me."

### Quite a Difference.

The big, red touring car struck a pedestrian, rolling him in the mud and maltreating him in general. The owner ran back, greatly excited, after stopping his car.

"Is he dead?" he asked anxiously of the physician who was working over the victim.

"Oh, no!" replied the physician cheerfully. "He's not dead! he's merely run down."

### Crying Potatoes.

One evening I had put the potatoes on the stove to boil, and as I had turned the gas rather high they were soon boiling so rapidly that they boiled over, and my son, age 3, came running into the dining rooms and said, "O, mamma, your potatoes are crying to you to come and tend to them. You better hurry up, or they will cry their eyes out."

### Too Particular

"In your advertisement," said the man with the suave manner, as he entered the office of the ice company, "you say that there are no microbes on the ice that you furnish to your customers." "Yes, sir," replied the treasurer, as he placed a blotter in front of his diamond stud, so that the caller would not have to blink, "and we stand by our assertion." "I stand by it, too," said the man with the suave manner, "and I have called to say that, as I have no fear of microbes, believing they are harmless, I wish you would direct your delivery man to leave at my residence, in the future, ice of such dimensions that two or three microbes, if they felt so inclined, could occupy it without crowding each other."

### A Quiet Way

"Frances," said the little girl's mamma, who was entertaining callers in the parlor, "you came downstairs so noisily that you could be heard all over the house. You know how to do it better than that. Now go back, and come down the stairs like a lady." Frances retired and, after the lapse of a few minutes, reentered the parlor. "Did you hear me come downstairs this time, mamma?" "No, dear, I am glad you came down quietly. Now, don't let me ever have to tell you again not to come down noisily, for I see that you can come down quietly, if you will. Now, tell these ladies how you managed to come down like a lady the second time, while the first time you made so much noise." "The last time, I slid down the banisters," explained Frances.

### The Way of Success.

The art of satisfying customers that the article they have been sold is precisely what is best for them is a great and valuable gift.

John Dubbs has made a big fortune out of it, and while he continues in his present methods it will become larger. A word as to these methods may be useful to those who want to get on.

One day a woman came into his shop. "Look here," she said, angrily, "that rocking chair you sold me yesterday was no good."

"How so, madam?" Dubbs asked. "Why," said the woman, "the rockers aren't even. As you rock, the good-for-nothing chair keeps sliding sideways all over the place!"

Dubbs threw up his hands. "What!" he said. "I'll discharge the stupid assistant! If he hasn't gone and sent you one of our new patent rockers, warranted not to wear the carpet out in one place. That style costs four dollars extra."

But the woman had turned and was already out of the store.

"Mistake or no mistake," she cried, "I won't pay the extra four dollars, and I won't return the chair either, so there."

Never in the history of the World has there been a scientific discovery of such moment to mankind as that which gave us "Sequarine." This wonderfully powerful fluid is the organic essence which revitalises and rejuvenates as no "inorganic drug" can possibly do. It literally accomplishes the absolute transfusion of life. Thus is Science Triumphant.

## SCIENCE TRIUMPHANT.

Science has at last accomplished what was deemed to be impossible. Brown-Séguard has conquered! His name is for ever inscribed in the temple of fame.

His inspiration, which conceived the possibility of the transfusion of life, has materialised. Science has produced us "Sequarine" — distilled strength taken direct from organic matter. This wonderful liquid restores the harmony between the physiological functions and gives new vitality to every organ of the mind and body. It is the Tonic pre-eminent.

One trial of "Sequarine" will prove beyond doubt its phenomenal regenerative powers. Take a few drops daily. Its effect upon every organ that is unduly weak, through overwork, old age, or disease, is truly wonderful.

Obtainable of all Chemists and Stores.

**PUBLIC FORM (For Swallowing)** \$1.75 per bottle.

**MEDICAL FORM (For Injection)** \$2 per bottle of 4 ampullae. By post 10c extra.
