are getting sucked into believing lies because of the oratory skills of a deceiving "doctor". I realize that many women will go through some very difficult times if they get pregnant and have the baby, but is any reason good enough to end an innocent life? If the life is going to be unwanted or inconvenient, there are many better ways of dealing with the problem than having an abortion. Of course the best way is don't get pregnant.

I wrote this during the Christmas break; a little while ago I heard that a "Pro-lifer" is going to speak at UNB. I encourage everyone who saw Morgentaler to go see him and get the other side of the picture. Henry's paintings are optical illusions. Abortion is murder.

WANTED: A mature studious female student to share furnished 2 bedroom apartment DOWNTOWN. Call 455-3516 anytime.
