

The league executive, which meets tonight to try and fathom out the most tangled problem yet to face a softball executive in Belleville. The league big-wigs today find Reliance, "Marines" and "Flyers" all tied for first place in group "A", while in the junior loop the Army and Navy Juniors are bunched on top of the final schedule standing with Foundries and regardless as to how you look at matters and from whatever angle, play-offs galore are in the making.

In the curtain-raiser the Foundry lads scored a single run in the first and added a trio more in the fifth when they shelled Grant Wright from the juniors' hilltop and cinched the piece. A walk, an error and a couple of singles gave Red Townsend's kids their entire three runs in the sixth as Freddie Waite fired six-hit ball off the Foundry mound. Boyle finished on the Juniors' mound after the fatal fifth.

Nightcap a Thriller

The nightcap proved a thriller as Bill Anderson and Jim Hunter hooked up in as tidy a hurlers' duel as the patrons could desire. Each struck out eight opposition batters, but Anderson developed a wild streak to walk the first two batters to face him in the seventh and these two scored the tying run. Previously the Marines scored first in the second on hits by Ethier and Peoples. Reliance came back with two in the third following singles by Vasil and Henn and a double by Barriage. Murney Green's mammoth circuit blow in the sixth seemed to give Reliance enough, but alas. Trailing 3 to 1 the Marines rallied in the last frame after Anderson walked Cousineau and Peoples. Partridge drove a hard grounder to LaBonne, who elected for the forceout at third and threw into the dirt for an error and two runs scored, including the tying counter. Partridge raced around to third and scored on Bud Shannon's line drive over short to win the piece. Shannon previously covered himself with glory with a fine running catch of LaBonne's drive into centre, therefore making Bud Shannon pretty much of a hero.

Reliance fielded a patched-up team with a pitched playing second and an outfielder at short, but this does not take any of the glory from the Marines as they to come from behind to win the hard way. Both Anderson and Hunter hurled fine ball with Ethier making a sensational save off Barriage in the seventh. Reliance counted all of the extra base clouts, including Murney Green's mammoth circuit blow in the sixth.
