Ottawa, November 21, 1908.

Dear Dr. Chown:

I would be greatly obliged to receive from you any information you may give me as to the work which you have done toward helping to suppress the opium traffic in Canada. I should like to make use of this in connection with my mission to China. Any resolutions that the Church may have passed, or other matters of a like kind would be most gratefully received. I leave in a week's time and shall be pleased to hear from you in the interval.

Yours very truly,

S.D. Chown Esq., D.D.,
