F. A. McGregor, Esq.,
Private Secretary,
Leader of Opposition,
Ottawa, Can.

Dear Mr. McGregor:-

Your letter of October 18th having been forwarded to my home address, was not placed in my hands until Saturday evening.

I will have notices of such literature as we have on hand, and such advertising matter and circular letters we have sent out, mailed to you.

I am glad that you have been receiving favorable reports from North York. I have insisted to Mr. Howard Cane that he keep me posted, if at any time he hears adverse criticism in regard to the conduct of the Campaign. Up to date, I have received no such complaints. We can only hope for the best and do our best, and I begin to really believe that we will elect Mr. King.

The other day we mailed to you a long list of persons to whom we wished Mr. King to send personal letters. Enclosed you will find a list giving a few additional names.

Yours truly,

W. L. Mackenzie King
