Ottawa, 10th January, 1907.

Sir,-

Your August cash-statement shows a balance of \$77.00 at credit of the Butchering Account. The September statement shows disbursements amounting to \$13.45 (receipts Nos. 4029, 4076, 4077, and 4079) leaving a balance of \$63.55 instead of \$62.00 as shown in your September statement. Please explain the difference, viz: \$1.55.

When this advance has been all expended a voucher should be forwarded and the receipts will be attached here and sent to the Audit Office.

Your obedient servant,
