

Ottawa, 8th February, 1911.

Sir,-

The Department desires to acknowledge receipt of your letter of the 25th ultimo and to express pleasure that the Directors of the Calgary Exhibition have decided not to engage Indians to appear in pageants, dances, etc in future.

I may say that the Department is glad to learn that it is the intention of the Exhibition Company to make special classes for Indian exhibits in the way of grain, live stock etc at the Fair to be held during the coming season.

Your obedient servant,

Asst. Deputy &amp; Secretary.

E. L. Richardson, Esq.,
