The increasing demand for Oriental Carpets in all progressive countries has decided us to open a branch of our Company in Canada.

We beg, therefore, to advise you that we have done so at the above address, where we have a large stock of Turkish, Persian and Indian Carpets, in designs and colors in demand, under the management of Mr. William Cramer, who has been associated with us since the inception of the Company, and was previously Manager of the London Branch of Messrs. T. A. Spartali & Co. (now incorporated in this Company).

Trusting that we may have the pleasure of being favored with your patronage, we remain,

Yours faithfully,

**THE ORIENTAL CARPET MANUFACTURERS
