CANADA'S BEST NEWSPAPER

**"A Cloud of Witnesses" Among the Press
of Canada Have Nothing but Praise
for The Montreal Witness**

To what other large metropolitan news-
paper anywhere in Canada has such
whole-hearted and generous praise ever
been accorded as may be found in the
following examples of what is being said
by press and people all over the
Dominion?

The Witness is a newspaper of which
Canadians are justly proud. It publishes
all the news in the most straightforward
way and its readers are kept well inform-
ed. Moreover, its readers are leaders in
their respective communities, the Witness
appealing strongly to the people of char-
acter everywhere.

The following statements of fact are
worthy the consideration of any one of
our readers:

The Witness exerts a most beneficial in-
fluence in the homes and hearts of our
people.—The late Archbishop Bond, Pri-
mate of all Canada.

The Witness has manifested in an emin-
ent degree the qualities of courage and
sincerity.—R. L. Borden, leader of the
Conservative party.

The Montreal Witness is never influenced
by mere party feeling. Chatham Commer-
cial.

The Montreal Witness numbers among
its clientele the most independent and
thoughtful newspaper readers in Canada.
—Edmonton Bulletin.

The Montreal Witness stands for purity
and honesty in government.—The Hamil-
ton Spectator.

The Montreal Witness was never better
or more useful than it is to-day.—Domi-
nion Presbyterian.

The Witness never fails to command
respect for its fairness and impartiality.
—Sarnia Observer.

The Witness is the most impartial and
independent newspaper in Canada.—Char-
lotte, P.E.I., District.

The Montreal Witness is by far the
most influential newspaper in Canada.—
The Herald, Comber, Ont.

The Witness is no doubt the best news-
paper in Canada.—Northern Advance.

The Witness deserves the good words
that have been said of it.—Christian
Guardian.

Right-minded people will appreciate
such opinions and will pass them to
friends who may not have seen them.

The Daily edition is \$3 a year and the
Weekly only \$1. These rates are low,
since it costs much more to produce a
paper like the Witness than it does to
produce many of its leading competitors.
Character counts because it costs.

The Witness is published by John Dou-
gall & Son, Montreal, and has now com-
pleted its sixty-second year.

You Can Heal Your Lungs At Home

DON'T give up hope.

Don't go away from home to die.

Don't ruin your stomach with useless
"dope" and patent medicines.

Your lungs will heal themselves—as
readily as a cut on your finger heals—
if you give them a chance!

What they need is more oxygen—
more pure air—and Lung Food to help
destroy the most malignant germs of
the disease.

All competent physicians today rec-
ognize that God's pure air is the first
and last requisite in the treatment of
all diseases of the lungs.

Our method of treatment—which has
been successful in hundreds and thou-
sands of cases—discards drugs, and in-
vigorates and develops every cell of
the lungs, and at the same time de-
stroys the germs of disease in the af-
fected cells by the aid of Lung Food,
and allows Nature to heal them. Our
LUNG BATH carries life-giving oxygen
to every cell of your lungs, and in-
creases your lung capacity from the
first day of its use. Prominent physi-
cians endorse the Lung Bath as the
only rational method of combating the
great White Plague.

WE want every consumptive, and
every person with tendencies toward
consumption, to try the LUNG BATH.

At the worst it can do you no harm,
and it may save your life.

It has never failed in a single case
in which the patient had vitality suffi-
cient to keep him alive for 90 days.
Further than this—it has enabled over
90% of these same people who had vi-
tality to live for only 30 days to cure
themselves at home. If you can live a
month, you have 9 chances out of 10
of getting well. These are results—not
theory.

Is that record not worthy your in-
vestigation? Is a treatment with such
a record not worthy a trial?

We will meet you more than half-
way, for, though the treatment is in-
expensive—we will guarantee improve-
ment from the first (in the first 30
days), or refund your money.

You do not incur the slightest ex-
pense unless you and your friends see
benefit and improvement. Your physi-
cian, if he is familiar with modern
practice in the treatment of pulmon-
ary tuberculosis, will endorse the Lung
Bath and its use.

Remember it is not a medicine, but
a natural method of invigorating and
developing the lungs.
