A GOOD BREAKFAST

Is what you need if you want to do a good day's work; such a breakfast is to be got from

SHREDDED WHEAT BISCUIT

which contains all the nutriment needed to sustain you in your work.
Shredded Wheat Biscuit is made from the Whole Wheat, thus making it a natural food.
Everybody who wants to be in good health should eat Shredded Wheat Biscuit for Breakfast, Dinner and Tea. It is just what growing children need to keep them in health.

ONCE USED ALWAYS USED.

Have you tried it? If not, you should do so at once. Don't delay.
Send a postal for our Neat Booklet, setting forth various ways of preparing the Biscuit.
Address:

THE NATURAL FOOD CO.,
61 Front Street, East,
TORONTO, ONT.

Cheese and Butter

Makers of these articles, in many instances, do not pay the necessary attention to the quality of the Salt they use. Some people think that "Salt is Salt," and it does not matter where it comes from or who makes it. This is a great mistake, for it is essential that to produce the best Butter or Cheese nothing but the purest Salt should be used.

RICE'S DAIRY and TABLE SALT
