Buying Investment Securities by Mail

We wish to impress upon you the fact that you can do business with us—and with the utmost satisfaction—no matter where you live and no matter how small or large the amount of funds available for investment. Wherever the mails go we can do business.

The requirements of individual investors differ so widely that it is out of the question preparing a number of cut and dried suggestions that will meet the requirements of all who make inquiries regarding investments. For this reason we ask intending investors to give us an idea of the amount of funds they have available for investment, whether they desire Government bonds or municipal debentures, high grade bonds or stocks. In many cases investors leave this point entirely to our decision. In such cases we are guided by the circumstances of those making the investment. Each inquiry receives careful, personal attention. We take pleasure in answering all inquiries regarding investments.
