THE WESLEYAN.

FIRES .- A Fire occurred between the hour of 12 and 1 o'clock on Friday week, in Albemarle street, and before t was subdued, six dwellings were burned to the ground, viz :- Three houses belonging to Mr. J. Nott ; two to Mr. Archibald Goreham, and one occupied by J. Brown, truckman. It is runnoured that this fire must be the work of incendiarism : at least such an opinion is favoured by rather strong circumstances. The flames broke out in an unaccepted house, (one of Nort's) the tenants of which were canonarily ejected a day or two previous. - Another alarm wis given last night about S o'clock. Mr. W. Filina's house adjoining the National School on the west, occupied by Mr. W. H. M'Curdy, and Mrs. Cook, was discovered to be on fire, but timely exertion prevented the consuming element from gaining an ascendancy .- Recorder.
