[OPINION OF THE MEDICAL MEN OF HALIFAX.

Liebie's Fluid Extrac of Beef, is a very agreeable article of Diet, and particularly useful where stimu lants are required. In Dyptheria, Tythoid Fever, and every depressing disease, it- use will be attended with great advantage and will be found invaluable in Country Districts where fresh Beef cannot be easily procured. EVERY BODY SHOULD HAVE A FEW BOTTLES. EDWASD JENNINGS, M.D.—Surgeon Provincial and City Mospital.
