DR. RADWAY & CO.: I send you for publication the result of my treatment with your Pills in the following cases:

Ist Casg.—Inflammation of the Bowels. John C. Chapman, aged thirty-four, was seized on the night of the 22nd of October with inflammation of the bowels; was called at 10 r. M.; he had then been suffering over three hours; had not a passage for six days; I gave him six of your Pills, and applied the Ready Relief to the abdomen; in a few minutes the Pain cosaed, he fell into a calm sleep; at 4 A.M. he had a free evacuation; at 9 A.M. eat his breakfast; at 11 A.M.; gave him six more pills, and for five days gave him three pills per day; he is now well and hearty. In all cases of inflammation of the howels, I succeed in removing all danger by a single does of from six to eight in six hours. In lead cholic, I give the pills in large dosesix to eight, and a taspoonful of Relief to a wineglass of water every three hours—it always cures.

2nd Casg.—David Bruce, aged twenty-six, called at 3 r.M. on Nov. 25th; found that he had been attacked with billous fever for twenty-two hours.—If gave him six of your pills every four hours, and gave him warm drinks of beaset tea. In twenty-four hours he was convalescent; is now at work and perfectly healthy.

3d Casg.—Barnh Burns, aged six years, seized with scarlet fever; gave her two pills every four hours for twenty-four hours; and sisters. I have prescribed your rills in cases of Dyspepsia, Indigestion, Costiveness, Sluggishness of the Liver, or Torpidity, and have witaessed the most astonishing cures. OPINION OF THE PRESS. "There has just been issued from the press a cautiful and interesting volume entitled, 'New-bundland and its Missionaries,' in which there is foundland and its Missionaries, in which there is a complete description of the Topography of the country; also of its interior, hills, lakes, minerolo-gy, climate, soil, vegetable and animal kingdom, fishery, customs and habits of the people; aborig-inal inhabitants; civil history from its first settle-ment down to the year 1860; with statistics of poment down to the year 1000, with statistics of po-pulation, schools, academies, political divisions, productions, imports and exports, with its religious history, to which is added a chronological table of all the important events that have occurred on the Island."—Morning News, St. John.

NEWFOUNDLAND AND ITS MISSIONARIES .-NewFOUNDLAND AND ITS MISSIONARIES.—
"This is an exceedingly interesting and instructive work, giving not only a history of the Methodist missions from their earliest date, but also the geographical position, physical features, minerology; geology, vegetable and animal life of the Island, besides other valuable statistics. The book also contains a description of the seal fishery, interspersed with anecdotes. A comprehensive summary is also given of the French war, the exterpation of the Red Indians, &c. The work is well worthy of a place in any library."—Halifax Sun.

Dr. Hamlin's

Hand Bag for Cholera. CONTAINING all the articles recommended by Dr. Hamlin, a well known Missionary, re siding at Constantinople, and possessing large ex-perience in treatment of Cholera. In the Bag are full directions how to proceed in freating an attack,

full directions how to proceed in freating an attack, till the Physician arrives—a point of much importance, for as Dr. Hamlin remarks, on the approach of Cholera, every family should be prepared to treasfit, without waiting for a Physician. It does its work so expeditiously, that write you are waiting for a Doctor, it is done.

The Bag thus fitted up and locked, should be hung up in such a position, that on the slightest alarm it may be at hand. The public will see the immense advantage it will be to each family to possess in compact form and easy of access, the remedies which have been proved most efficacious with such directions as have in other lands saved thousands of
