An American paper says the decks of the steamer City of Boston, in the recent collision on the Sound, afforded some pitiable displays of selfishness of human nature. One man fas tened a life-preserver about his body, and silenced his wife, who was crying for one, with the words, "Don't make such a fuss about it. Per haps you will get one before long." Another stalwart fellow took a life-preserver from a young lady and buckled it on himself.

On Friday night during an affray in City street, a colored man named Liston was danger-ously stabled by another colored man named Simmons, who is now in custody.

Y. M. C. Association Conventions.-In October last there were met together from vari-eus parts of New Brunswick and Prince Ed-all parts of the United Kingdom, during, the latward Island a large body of Christian men and ministers of various denominations. The re-ception they met from clergy and laity in this city was cordial and hearty. No doubt all parties were benefitted. Our citizens poured into The Prizes for skill in marksmanship were St. Matthews and Brunswick Street Church to warded by Lord Napier of Magdala, who also hear the opening and closing services, until even those large buildings were full to overflowing. Prince Alfred and Longfellow, the American Nothing exciting so deep interest in the Chris-Nothing exciting so deep interest in the Christian community occurred until the arrival of the Rev. Mr. Punshon. The fame of his oratory was world-wide, and the curiosity to hear his utterances was great. We believe that all who listened either to the former or latter services were they presented a very fine appearance. richly rewarded for their trouble. Now, we have the prospect of another convention to be held under the auspices of the Halifax Young Men's Christian Association, and there is every reasonable prospect that it will be no ways inferior to the one that preceded it. The city ministers will, we are certain, lend their valued aid in so of Turkey has comfirmed the succession of Migood a work. There will be that brevity and variety which distinguishes such meetings, and as the doors are open wide to the public there cannot be a doubt that crowds of eager and attentive auditors will avail themselves of an opportunity of becoming better acquainted with

One admirable feature in such Conventions is the spirit of hospitality which is practically called forth. In our age, with its travelling facilities and hotel privileges, there is not so much of that social mixing of town and country as there ought to be. The approaching Convention afords an opportunity to become better acquainted friends from the towns and villages of this and neighbouring Provinces. Let us give an example of what a wealthy banker did the other day at Detroit, to those meeting at the Convention lately held in that city. He entertained ten delegates in his own princely mansion, and paid for the accommodation of ten others. The Genvention will be held here, we under-

COMPLETE COLLECTION OF THE Songs of the American Colleges. With Piano Forte Accompaniment. TO WHICH IS ADDED

A Compendium of College History. Collected and edited by H. R. WAITE This new volume furnishes the most extensive col

This new volume furnishes the most extensive collection of Student Songs presented to the public, 21
Colleges being represented. Every College in the U
States having been solicited to contribute to its pages,
nearly a thousand songs were received from which
great care was taken to select those most valuable in
reference to quality, permanency and general interest: only such being used as possessed intrinsic merit,
or cast light upon some peculiar College custom
Prices: In Cloth emblamatically embossed, neat
and durable \$2.25. Superior Edition on extra paper,
full cloth, emblamatically embossed, gilt edge \$3.00.

Mailed post-paid Mailed post-paid.
