STAMMERING CERTIFICATE.

Philadelphia, Pa

We, the undersigned, residents of North Sydney and vicinity, in Cape Breton, having known Miss Lawlor when afflicted with, and oftentimes pained to witness her struggling with that impediment, stammering, have now much pleasure in testifeing, through this medium, that she has been reserved of the above referred to difficulty. She can now give utterance to her ideas, with a freedom of speech, at once free, deliberate and apparently

without effort.

We learn from ker that she attended, last December the Stammering Institute at Hali-fax—in charge of B. B. Mackintosh. Esq —he having been empowered to use the method first known to, and practiced by Professor Sutherland, of London, Oct. We heartisy recommend those similarly af-

fected, as Miss Lawlor, to avail themselves of the privilege of attending an institution calculated to render such valuable aid to both old MATTHEW WILSON, Presbyterian Minister. D. MacMillan, John Vooght, of Vooght Bros, Merchants.
