Standard Footwear

We know both shoes and feet. We know that a shoe must follow certain lines to give comfort to the normal foot, and we know only too well that the average maker of shoes is careless on this point. We know why your feet are tired and full of aches and corns, and we know how to help you skip these discomforts or gradually remove them. Examine our new fall footwear. Prices right. Fit perfection.

Yours faithfully,

To make Home Pretty and Attractive

IS THE WISH OF EVERY LADY

Perhaps we can help you a little by improving some unsightly arch, a nice piece over a bay window, a screen for a stairway, a cosy corner, a handsome stationary or folding screen. The expense will not be much and would add greatly to the appearance of the rooms.

We make these in Moorish fret work, Japanese fret work, Scroll or Grille work, or combinations of the different styles, and made or finished in any kind of wood desired.

For further particulars address OTTAVILLE MFG. CO., Ltd., Ottawa, Ont.
