

## Massey-Harris

### A Perfect Seed Bed

**I**F you would make the most of weather conditions, and give the seed you sow the best possible chance to bring forth abundantly, thorough preparation of the soil is absolutely essential.

Massey-Harris Plows, Cultivators, Disc and Drag Harrows enable you to put your land in the best possible shape for seeding with the minimum expenditure of time and labor.

Be your farm large or small we can supply you with just the implements you need—Plows from the small One-Horse Plow to one turning 18 furrows. Cultivators from 10 to 26 teeth; Disc Harrows from the small sizes up to the big Tandem Disc for use with a Tractor, and Drag Harrows in a big variety of styles and sizes.

And if you need a Tractor to draw your large implements, get a Massey-

Harris—the Tractor built by those who know the requirements of the farmers, through long experience with them.

The name Massey-Harris on your Tractor and Implements means your whole output is covered by the same guarantee with no divided responsibility.

The choice of the best farmers because uniformly good and reliable.
