This is the best and most reliable book on the subject of dry farming that has been published in recent years. BORDEN AND NE TEMERE DECREE

Ottawa, Jan. 22.—The government of Right Hon. R. L. Borden will ask the Canadian courts and the privy council, the highest authority in the empire, to decide on the status of the Parliament of Canada in connection with the marriage question.

This policy was enunciated in the House of Commons to-night by the premier in the course of a lengthy debate on a bill introduced by A. E. Lancaster, Conservative member for Lincoln, calling for the enactment of legislation declaring that any marriage solemnized by any recognized authority be valid in the Dominion of Canada despite any ecclesiastical decree to the contrary.

The premier after stating the policy of the government moved the adjournment of the debate, which was carried by 86 to 61, a majority of 25. Five Conservatives, W. F. Maclean, South York; E. A. Lancaster, Lincoln; E. Kidd, Carleton; Dr. Edwards, Frontenac; and R. Blain, Peel, voted with the opposition against adjournment.

TIE UP IN SASKATCHEWAN

One of the large business concerns in Winnipeg that deals with the farmers is receiving reports as to conditions in Saskatchewan. Here are some extracts from the agent's report:

Elbow.—There have been only five empty cars sent in here since Jan. 1, and the elevators, of course, are not buying any grain. Most of these claims lie west of Elbow 30 to 40 miles and the long haul makes it difficult for the farmers to realize quickly on their wheat.

Brownlee.—Practically no cars have arrived here this year. Four or five creditors at this point are taking out loans and this money will come in during the next fortnight or three weeks. Quite a number have not threshed in this vicinity. The bank here has lent out very little money this winter, and on my last visit they had stopped lending money altogether.

Eyebrow.—One car is all that this town has had this year.
