

County of *Shelburne*, that the Majority of Votes, on the close of the Poll for the Election of two Members for that County was in Favor of *Alexander Leckey* and *Charles McNeal*, Esqrs; and no specific Challenges appearing to said Votes, the Committee is therefore of Opinion, that the said *Alexander Leckey* and *Charles McNeal* were the Members chosen, and ought to be declared so duly elected for said County, *resolved* accordingly.

The Attorney General *moved*, That it is the Sense of this Committee, that the Sheriff being commanded to return his Writ at Ten o'Clock on the First Day of *December*, ought not to have kept the Poll open after that Period, but should have then cast up the Poll, and declared the Majority of Votes, which being put, was agreed to.

The Solicitor General *moved*, the following Resolution, That the Election for the Town of *Shelburne*, be null and void ; which being put, passed in the Negative, for the motion Eleven, against it Thirteen.

The Attorney General then *moved*, That it is the Opinion of this Committee that *Isaac Wilkins*, Esq; who had the Majority of Votes at Ten o'Clock, on the First Day of *December*, is duly elected for the Town of *Shelburne* ; which being put, passed in the affirmative, for the motion Thirteen, against it Eleven.

The Report being read.

The Solicitor General *moved*, That the above Proceedings of the Committee so far only as they related to the Election for the County of *Shelburne* should be first considered ; which was agreed to.

The Solicitor General then *moved*, That Mr. *Leekey* and Mr. *McNeal*, having been declared duly elected for the County of *Shelburne*, be now permitted to take their Seats ; which Motion was seconded.

Major *Barkley* *moved*, That the House should immediately proceed in the further Consideration of the Report of their Committee, and the Speaker being of Opinion, that the latter Question ought regularly to be first put to the House, The Solicitor General *moved*, That the Sense of the House might be taken thereon, which being seconded, was put, and the House divided, when Fifteen were for proceeding immediately on the Consideration of the Report, and Eleven against it.
