TORONTO, July. 30 .- J. M. Ross, Son & Co. of Brampton moved their factory to St. Catharines three years ago for a bonus of \$20,000 cash from the city. The company was to employ around one hundred hands and pay them \$35,000 yearly in wages. The city gave free land for a factory. Then followed trouble. There was talk of withholding part of the \$20,000. J. M. Ross threatened suit. Eventually the bonus was paid over and the city took as security a mortgage for \$20,000 on the plant. Now a receiver has been appointed and the premises handed over to him. The employes have a month's wages coming to them. The city is wondering how it stands.
