

Great Difficulty Experienced Swept Over Falls in Canoe in Getting Bodies Out-Wealthy Youth Among Lost

300

Providence Youth Meets Awful Fate 1. PROVIDENCE, R: I., Dec. 21.-In

JACOBS CREEK, Pa., Dec. 22 .- Only JACOES CREDER, Pa., Lec. 22. Only thirty-three of the 200 or more miners caught by the explosion in the Darr 164 Alvison Avenue, this city, was fromine of the Pittsburg Coal Company zen to death while standing on a rock last Thursday have been found by the under the falls of the Pawtuxet river ast Indisday have been found by the rescue parties and brought to the sur-face. Nearly all of the thers are pre-sumed to be a mile or more beyond the point to which the rescuers have been phile to which the rescuers have been able to prosecute their search. Twenty of these bodies were found to-The other two young men were rescue day, but none of them has been identi-fied. All bodies found today were to the Rhode Istand Hospital in a cri-

placed in sacks in the mine and trans-ferred to the morgue, where they are being prepared for Lurial and placed left the Pawtuxet Canoe Club house about the middle of the afternoon and

in caskets. Mr. Hallanay, who has charge of rescue work, says: I have made a house to house canvass among the families here and am certain that there are 300 dead men in the Darr Mine." are sold dead men in the cance to drift too near the edge and were carried over. Their shouts at-tracted the attention of men in the One of the serious difficulties encoun- street nearby, who ran to the river wall One of the serious difficulties encoun-tered one that may explain the seeming delay in bringing the bodies to the sur-frice, is to get the bodies across the ri-ver to their homes. The only direct means of communication between the two points is the "Sky Ferry" used by the miners. This is a basket, travelling the miners of the section of the falls, was the miners of the section between the two points is the "Sky Ferry" used by the miners. This is a basket, travelling the miners of the section of the falls. ation the men that would and occasionally the water coming over on a cable, will not hold a casket alone, with extra speed completely submerged them. In spite of the danger of his pos-ition, Alfred Jackson held on to his have to acompany it to propel the car. There are bridges some miles above and below the mine, but it would be brother until the life buoy to which a and below the mine, but it would be brother until the life buoy to which a impossible to haul the caskets across the country on either side of the river to and from the bridges. It may be decided to erect a sky ferry on a larger scale to accommodate the coffins and down stream, was rescued in a similar their attendants. Evidence of much suffering and distress among those de-pendent on the victims has already from a nearby bridge.

been disclosed and steps have been ta-ten to organize relief committees. Jas. 7. Roderick, chief of the State Dept. irspectors of the State to meet him here today to assist in rescue work and to investigate the cause of the exploof Mining, has ordered the nine mine to investigate the cause of the explo-sion. Clark Adams, said to be the son of wealthy and indulgent parents, liv-ing in New York, a young man just out of his teens, is said to have met death in the mine. Three months ago Adams sought employment as a day hand at the mines He intended to have Adams sought employment as a day hand at the mines. He intended to leave for the east next Sunday. His body has not yet been recovered, but a summons tas been sent to his parents. While a vast amount of wark was done during the night not much pro-

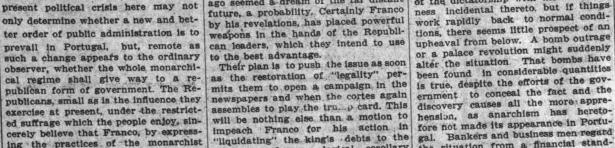

LISBON, Dec. 10 .- The result of the er and made a republic, which a year present political crisis here may not ago seemed a dream of the far distant only determine whether a new and bet-ter order of public administration is to prevail in Portugal, but, remote as can leaders, which they intend to use

exercise at present, under the restricted suffrage which the people enjoy, sin-cerely believe that Franco, by expressing the practices of the monarchist parties, has administered a blow to the prestige of the king and the mon-

demand for broader political rights. Undoubtedly the king's popularity has suffered at least a temporary eclipse as a result of the establishment of the dictatorship with the arbitrari-

cal regime shall give way to a re-publican form of government. The Re-mits them to open a campaign in the publicans, small as is the influence they newspapers and when the cortes again will be nothing else than a motion to treasury and as a logical corollary thereof to demand the abdication of King Carlos for abetting this "crime" from a political point of view.

LAID TO REST Funeral Was a Most Impressive Scene,

HON J. I. TARTE

Funeral Was a Most impressive Scene, Many of Canada's Leading Figures Being Present MONTREAL, Que., Dec. 21-No more striking testimony to the esteem and respect in which the late Honorable Joseph Israel Tarte was held both by opponents and by colleagues has ever been given than that afforded by the spectacle this morning, when his re-mains were laid to rest with all the imposing ceremonial of the Roman imposing ceremonial of the Roman some ploughing done Thursday, Catholic church. Every class of the 12th instant. NEWCASTLE, N. B., Dec. 19.- Two weddings took place at the Methodist parsonage here last night, Rev. H. C. community was represented from the Prime Minister of Canada to the humblest resident. The beautiful church of St. Louis de France was crowded, Rive officiating. Isaac Preston and Miss crowds lined the way to the church,
