Volunteers Inspected By the Governor

Yesterday the volunteers were put through Swedish and Section drills on the Parade grounds, and at noon the companies were inspected by Lieut.-Col. Sir W. E. Davidson, with whom was the Premier, Sir E. P. Morris. Capt. Goodridge commanded the men and Capt. Patterson and Outerbridge attended. His Excellency delivered an encouraging and complimentary address to the men and hoped all our boys would come thru the war safely. The Premier also addressed them in similar strain.

They had a route march in the afternoon and a squad had rifle practice at the Southside. A church parade will be held to-morrow. A number of recruits came forward recently and there is now on the roster 2385 names. The following enlisted yesterday:

Obituary

GORDON BULLEY
 With feelings of profound regret we chronicle to-day the death of Mr. Gordon Bulley, a young man widely known and greatly esteemed in the community. Mr. Bulley had been ill for some years past of lung trouble and only about 12 months ago returned home from Denver, Colorado, where he had undergone expert treatment, and was so much improved that hopes for his eventual complete recovery were entertained. But it was otherwise ordained and this morning his spirit passed to the Great Beyond.

A more than ordinarily clever young chap, he had a brilliant school career, with the promise of a bright and successful future before him. His promises in athletics, especially in football and hockey, all will remember and his geniality of temperament made him a favorite socially. We extend to his bereaved relatives the sincere condolence of The Mail and Advocate.

St. John's Holds Cup

The Bell Island baseball team have intimated to V.-P. Higgins of the Baseball League that they have withdrawn their challenge to St. John's. They have lost some of their best players of late and press of business would also preclude a visit. St. John's will therefore hold the R. G. Reid Cup for the second time, having beaten Grand Falls.
