"I've Got Wise---Know Enough Now to Wear Gloves.
"Used to have my hands all crippled up—
"Everlastingly peelin' my knuckles—always scratching my hands on the edge of metal plates—
"But now I wear gloves; and say, it's far better than nursing hurt hands. These are
"Asbestol" Gloves.
"I've worn 'em every day for Lord knows how long—Don't look like they'd ever wear out, do they? Not a sign of a rip any place.
"I'm just as nimble-fingered as can be, and they fit well too.
"Wash like cloth—dry soft as new
"Never get hard or stiff, sweat, oil, grease, or water don't injure them.
"You certainly get splendid value every time in these "Asbestol" gloves. Look for that "Asbestol" trademark—it's the only way you can be sure of the genuine. The prices are low. See them to-day.

Nearly everybody has, at some time or other, been "up against" an embarrassing situation. Not so funny at the time perhaps, but laughter-provoking, when you got over the confusion of the moment.
Write and tell us about it. 'Tis only fair to give all a chance of enjoying the joke, even at your expense, although nobody will ever guess your identity, if you wish it kept secret.
Make your story as short as possible.
