5,000 FACTS ABOUT CANADA
The public will welcome the new issue for 1916 of "5,000 Facts About Canada," the popular and valuable cyclopedia of Canadian dates, compued by Frank Yeigh of Toronto, the well-known writer and lecturer on the Dominion. No up-to-date and intelligent Canadian can afford to be without this "hardy annual," which is a revelation in concrete form of the wonderful growth of our country in a single year, despite war conditions; indeed, it circulates all over the world, and as such is a splendid advertisement. The chapter of "War Facts" is, by the way, both timely and illuminating. Fifty other chapters are devoted alphabetically to every phase of our national life, from Agriculture to the Yukon, while several sketch maps are of high value. Copies may be had from newsdealers or by sending 25c to the Canadian Facts Pub. Co., 588 Huron Street, Toronto, Canada. 5,000 FACTS ABOUT CANADA
