

## SABBATH DAY SHOULD BE HELD ON SATURDAY

Seventh Day Adventist Gives Reasons for Main Tenet of His Belief.

A very large gathering assembled last evening in the big preaching tent on the S. D. Adventists encampment located on Colborne St. East, near Rawdon street to hear Elder A. V. Olsen on the subject of "The Christian Sabbath." Taking for his text, Mark 2: 27-28, he opened up his remarks by saying that the Seventh Day or Saturday is the Christian Sabbath and not the first day or Sunday, as many people suppose. Since Jesus Christ is the creator of all things according to Colossians, 2: 14-16, and since the seventh day was made the Sabbath at creation, therefore, he concluded that the seventh day only, is the true Christian Sabbath. He referred to the decalogue which contains the only command in the Bible for the observance of a weekly rest day, and unless God and not man has changed it, the seventh day is still the Sabbath. As a proof, however, that that law still remains, the Sabbath included, he referred to Ps. 9: 34, Ps. 111: 7-8. Christ never abolished it as it says, Matt. 5: 17. The Sabbath he declared is a perpetual institution according to Ex. 31: 16. It was kept by Christ, Luke 4: 16, and, according to Isa. 42: 21, the Lord of heaven magnified and made His law honorable. He also proved from Act 17: 2 and 18: 4 that the apostles as well as Christ also kept the Sabbath, and this was after the resurrection. He said that the holy women, according to Luke 23, last verse, kept the Sabbath according to the commandment.

## Tunnel Agitation is Again Revived

By Special Wire to the Courier.  
London, June 23.—The movement for the construction of a tunnel under the English channel has been revived, and the question is to be discussed in the House of Commons at an early date on a resolution offered by Arthur F. Hill, member for Great Yarmouth, last night. This resolution sets forth that "the progress of the war has demonstrated the great advantages which would have accrued to the allies if there had been a railway tunnel beneath the channel, and plans should be prepared so that the work can be begun immediately the war is over."

## NO MEDICINE AS GOOD FOR LITTLE ONES.

Once a mother has used Baby's Own Tablets for her little ones she will use nothing else. The first few doses make her realize there is nothing to equal them in making baby well and keeping him well. Concerning them Mrs. C. E. Stilwell, Winthrop, Sask., writes: "I have used Baby's Own Tablets for the past ten years and have found them so good for my little ones that I always keep a box in the house." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

## AT THE BRANT

Occupying the upper boxes at last night's performance, the brass band of the 125th battalion, ably directed by Bandmaster Bertram, furnished most acceptable music before and during the evening program at the Brant Theatre. With soldiers and civilians in the audience alike, the innovation was immensely popular, and of the success of the novel farewell to the 125th, there remains not a shadow of doubt.

In addition to the acceptable offerings of the military band, the audience was fortunate in witnessing one of the finest all-round bills presented at the Brant in some time. Moving pictures and vaudeville alike are of the highest standards; Marguerite Clark, in the character of "Molly Make Believe," presents more winsome role than ever before in her successes upon the screen, while the plot of the story, enhanced by a well-mated cast, is such as to hold the interest of all to the last. In the other movies upon the program, instruction and amusement are happily blended. The Morton Jewell Trio present a novelty singing and club swing act which is in a class by itself, while Gertrude Long and Co., surprise singers, proved themselves highly deserving of the unanimous applause which greeted their performance last evening.

## MR. GOODWIN HAS RESIGNED

General Secretary of Y. M. C. A. Here to Follow Work in Southern States.

WAS HERE FOR FIVE YEARS

Mr. George L. Goodwin, general secretary of the local Y. M. C. A. the last five years, has tendered his resignation to the Board of Directors, to take effect immediately. The reason is that Mr. Goodwin has been offered and has accepted a position in Y. M. C. A. work in the Southern States.

The letter of resignation was as follows:

June 22, 1916.  
The Board of Directors,  
Brantford Y.M.C.A.,  
Gentlemen—After a little more than five years of service as your general secretary, I herewith tender my resignation.

The reason for such action is that I desire to accept the call of the Interstate Committee of Delaware, Maryland, West Virginia, and the District of Columbia to become their state secretary with headquarters at Washington, D.C.

Trusting that this may be considered as final and that action may be taken on same at once, I remain, Sincerely yours,

GEO. L. GOODWIN.

The resignation came as a surprise to the board of directors, who as yet have taken no action on it, and will not until the next board meeting. However, as Mr. Goodwin evidently has definitely decided to accept his new position, he will undoubtedly leave just as soon as certain important matters which he has on hand in the new building have been pushed through to completion.

Mr. Goodwin has been considered an exceptionally able general secretary, and has given unbounded satisfaction to the board during his five years' incumbency. His new position is the best of the kind in the whole of the United States, which shows the appreciation and high standing he bears in Y. M. C. A. work.

Mr. Geo. L. Goodwin was born in Nova Scotia. He went from there to Boston, like many natives of his province do, where he was in business. Later, he entered Y. M. C. A. work, qualifying at the Y. M. C. A. College in Chicago.

## MRS. ASTOR WEDS OLD SWEETHEART

Widow Relinquishes Millions to Become Mrs. W. K. Dick.

Bar Harbor, Me., June 23.—Mr. John Jacob Astor, whose husband lost his life on the Titanic, from which she herself escaped, became the wife of William Karl Dick, New York, at 15 minutes past 1 o'clock yesterday afternoon. The wedding took place in the picturesque little chapel of St. Mary's attached to St. Saviour's Episcopal church in the presence of less than thirty relatives and guests of the couple.

Simply, and with less ceremony than if she had been daughter of the village barber, Mrs. Astor came the bride of the young man who was her girlhood sweetheart the day when she was Madeleine Force of Brooklyn.

Joyously and buoyantly Mrs. Astor responded to the prescribed questions asked by Rev. Albert Larned, the response to which meant that she voluntarily resigned a fortune of millions under the terms of her husband's will and a name carrying as much social prestige as any on the American continent.

Last night Mr. and Mrs. Dick were speeding towards New York on the first stage of their honeymoon, which is expected to take them to Santa Barbara, Cal.

The bride was attired in a blue serge one-piece dress, fastened with large bone buttons that reached from neck to hem, black straw hat, silver gray fox fur, white glove, black shoes and white spats.

The altar of the church was covered with white satin and decorated with bunches of lilacs. Mrs. Astor and Mr. Dick halted here, and Mr. Dick stood at his brother's left. Mr. Force, because of his lameness, sat in a front pew. Beside him was the John Jacob Astor, the bride's four-year-old son. He was in white and very intent on what was going on.

There was a moment of silence after the benediction. Then Mr. and Mrs. Dick held an informal reception in the cloister.

John J. Astor's will provided that should his widow remarry she was to lose the income on \$5,000,000 left in trust for her.

Col. V. W. Odium, Vancouver, has been wounded twice in action. The 5th Regiment, Canadian Grenadier Guards, of Victoria is the 1st military unit in Western Canada.
