Hold Banquet

Manslaughter
is Verdict

By Courier Leased Wire.
Sweetsburg, Que., Oct. 21.—Less than half an hour from the time the case was placed in their hands, a jury of farmers filed back to their seats and returned a verdict of manslaughter in the case of Warren Whitehead, charged with the murder of Mrs. Elsie Dipper, at Abercorn, on November 30, 1915.

Mrs. Dipper, who lived on the outskirts of the village alone, was found dead on November 1st last year. She had been terribly beaten about the head and attempts had been made to burn the body. Whitehead was arrested after making a partial confession to his brother-in-law, Alfred Gomeau.

Mortality in
Germany High

By Courier Leased Wire.
Berlin, Oct. 20, via London, Oct. 21.—Mortality in Germany, after reaching the low record of 14 per thousand in 1913, has followed a steadily ascending curve during the war. The figures for 1914 were 16.1 per thousand, and in 1915 there was an increase to 19.7, and the record for the first seven months of 1916 is 16. These statistics include civilians and soldiers.

Infant mortality, however, continues to follow a descending curve. The number of deaths per hundred new births, after showing a slight increase from 14.1 in 1915 and 1916 to 15.6 in 1914, dropped to 14.5 in the first year of the war. For the last year the percentage has been 12.9.
