The disappearance of Mr. Fred
Sherman from the quarantined jail
on Tuesday afternoon caused con-
siderable excitement in town as
well as in the eastern part of the
province. He was an inmate in
jail where he had been serving a
sentence. When smallpox broke
out he, as well as the other prison-
er, became victims of the disease.
He was just recovering, and was
given permission to use the yard.
His time having expired he took
his ticket of leave and started for
his father's house on Church St.
Telephone messages were sent to
Port Williams and Wolfville as re-
gards his disappearance and in the
evening he was located at his fath-
er's. The house was immediately
quarantined and the prisoner sent
back to jail.
