Indigestion

Stomach trouble is but a symptom of, and not in itself a true disease. We think of Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms only of a certain specific Nerve sickness—nothing else.

It was this fact that first correctly led Dr. Shoop in the creation of that now very popular Stomach Remedy—Dr. Shoop's Restorative. Going direct to the stomach nerves, alone brought that success and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting accomplishments were ever to be had. For stomach distress, bloating, biliousness, bad breath and sallow complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend.

Mr Robert Foster is spending a week in New York city.

Miss Eva Johnson is spending the Easter holidays at her home here.

B. Slack and L. Botsford spent Sunday in Brockville.

Mr A. W. Johnson and family were in Brockville on Saturday.

Mrs J. Schofield has returned after spending a few weeks at Phillipville.

Mr W. C. Taylor has installed a butter making machine in his factory and last week he made about thirty five lbs of butter from whey.

Mr M. Webster was quite ill last week with lagrippe.

The sugar season is about over and a great many have gathered their sap buckets.

C. E. McLean and K. Rappel, Athens, were visitors here on Friday.

That languid, listless feeling that comes with spring and early summer, can be quickly changed to a feeling of buoyancy and energy by the judicious use of Dr Shoop's Restorative. The Restorative is a genuine tonic to tired, run-down nerves, and but a few doses is needed to satisfy the user that Dr Shoop's Restorative is actually reaching that tired spot. The indoor life of winter nearly always leads to sluggish bowels, and to sluggish circulation in general. The customary lack of exercise and outdoor air ties up the liver, stagnates the kidneys, and oftentimes weakens the Heart's action. Use Dr Shoop's Restorative a few weeks and all will be changed. A few day's test will tell you that you are using the right remedy. You will easily and surely note the change from day to day. Sold by all dealers.

FRANKVILLE

On Wednesday evening the Woman's Missionary Society held their annual meeting in the Methodist church, Mr W. D. Livingston presiding. The secretary, Mrs J. Loucks, gave an interesting report. Little Miss Keitha Smith gave a recitation and Miss Pansy Oliver an eloquent recitation. A trio "Speed Away," was rendered by Rev. W. Henderson, Miss Jennie Brown and Alex. Anderson. Mr. Chas. Richards delivered an address and exhibited a marble tablet statue. The pastor also gave an address, illustrated by large bright maps of China and Japan and tracing missionary stations. Miss Brown sang a solo. The meeting was of deep interest. Ninety seven thousand dollars were raised by the W. M. S. last year.

Piles are easily and quickly checked with Dr. Shoop's Magic Ointment. To prove it I will mail a small trial box as a convincing test. Simply address Dr. Shoop, Racine Wis. I surely would not send it free unless I was certain that Dr. Shoop's Magic Ointment would stand the test. Remember it is made expressly and alone for swollen, painful, bleeding or itching piles, either external or internal. Large jar 50c. Sold by all dealers.

A despatch from Montreal sums up the cheese situation as follows: "Last year there was much fodder cheese, but this year none. Last year's April make was shorter than that of the year previous, and this year the same men who last year in Quebec province commenced making cheese on April 20 say they will not make a box before May 1. The roads are now so bad in this province and Eastern Ontario that many farmers are unable to cart their milk to the factories."

Anaemia or Poor Blood

Don't wait too long to correct it—as it often leads to something worse.

Anaemia is a defective state of the blood in which there is a lack either in quantity or quality of the little red corpuscles.

It may result from any cause that serves to deplete the general system and is recognized by a pale and haggard face—colorless lips, poor circulation and short breath, and the system is at such a low ebb that more serious diseases are easily contracted.

Anaemic people should eat plenty of fruit, eggs, milk, meat vegetables, good butter and cream and whole wheat bread, and as for a medicine nothing excels our delicious cod liver preparation, Vinol, which is made by a scientific extractive and concentrated process from fresh cods' livers, combining with peptonate-of-iron, which is a needful constituent for the blood, all the medicinal, healing, body building elements of cod liver oil, but no oil. Vinol is not a patent medicine you know what you are taking as all it contains is named on the label.

Any anaemic or run-down person in Athens who will follow the above suggestions is sure to be restored to health and strength in a short time. We will return your money if Vinol fails to give satisfaction. J. P. Lamb & Sons, Druggists, Athens, Ont.

STARVED TO DEATH

The following story of the horrible cruelty of an Elmestown township farmer is related by the Smith's Falls Record:

The farmer lives or rather did live only two or three miles from Smith's Falls and had thirteen head of cattle, eleven cows and two yearling, two horses and a pig. He was not a prosperous farmer and not only was his farm mortgaged but so was all his stock. Like many others in this section he had a poor hay crop last year and feed was scarce. A few days ago when he was in town and when told it was reported he was going away he laughed and denied it. The next day he and his sister who lived with him left and it is said he had gone to Da kota. When the holders of the chattel mortgage heard that he had gone, they made an investigation which disclosed one of the most revolting stories of man's inhumanity to dumb animals that has been heard for many a day. When they drove to the farmhouse there were no signs of life about the place, and while this was unusual there was nothing about it to indicate the terrible condition of things they were yet to find. It was on going to the outbuildings that the dreadful happenings of the past few days were revealed to them. In one stable they found six cows lying dead, five more cows and two heifers on the barn floor, two horses in another place and the colt and the pig in another. All were dead. The bodies were little more than skeletons and their protruding bones and emaciated forms told a story of slow starvation. Six of the cows were lying fastened to the granary evidently in quest of something to eat but of food of any kind there was not a particle to be found around the place. The dumb brutes had been shut up in the buildings and left to die.

For Thin, Poor Blood

You can trust a medicine tested 60 years! Sixty years of experience, think of that! Experience with Ayer's Sarsaparilla; the original Sarsaparilla; the Sarsaparilla the doctors endorse for thin blood, weak nerves, general debility.

But even this grand old medicine cannot do the best work if the liver is inactive and the bowels constipated. For the best possible results, you should take laxative doses of Ayer's Pills while taking the Sarsaparilla.
