"I ended corns forever in this scientific way"

Millions have said that about Blue-jay. Others tried it and told others the same story. So the use has spread, until corn troubles have largely disappeared. If you have a corn you can settle it tonight. And find the way to end every corn. Apply liquid Blue-jay or a Blue-jay plaster. The pain will stop. Soon the whole corn will loosen and come out. Think what folly it is to keep corns, to

pare or pad them, or to use the old harsh treatments. Here is the new-day way, gentle, sure and scientific. It was created by a noted chemist in this world-famed laboratory. It is ending millions of corns by a touch. The relief is quick, and it ends them completely. Try it tonight. Corns are utterly needless, and this is the time to prove it. Buy Blue-jay from your druggist.
