

Conservatives Anxious to Force Laurier to the Country.

(Special Despatch to the Times.)

Ottawa, June 9 .- Before the orders of the day were called Mr. Foster asked whether it was the case that certain employees of the Public Works Department at Hamilton had not received their wages for April and May,

Hon. Mr. Pugsley said that the caretakers and heating engineers at Hamilton had not received their pay.

Mr. Foster-Has the Minister of Pub-Works issued a notice similar to that of the Minister of Railways with regard to the difficulty of obtaining the ropriations from Parliament.

Hon. Mr. Pugsley—No, I am in hopes that the honorable gentiemen opposite will let me have the money with which to pay these men within a few days. Mr. Lennox—We are in very good hu-mor now (Laughter).

Mr. Lennox-We are in very good nu-mor now. (Laughter.) Replying to Mr. Monk, Sir Wilfrid Laurier said Mr. Smith's (Xanaimo) bill providing for an eight hours' day for railway telegraphers and train despatch-ers would have to take order with other

public bills. On motion to go into supply, Mr. Geo. Taylor attacked Hon. Mr. Brodeur for a speech he was reported to have made in opposition to Mr. Bourassa, in which he had expressed surprise at Mr. Bour-ssa, a ferocious Catholic, allying him-self with the Orangemen of Ontario like George Taylor.

Russian School Children Welcome Czar and Suite.

Reval, June 9 .- The meeting between King Edward and Emperor Nicholas oc curred here to-day with due formality. It was the first time that a British mon arch has ever made an official visit in

Russian waters. The British squadron scorting the royal yacht Victoria and Albert, with the King of Britain on board, entered the bay of Reval short ly after 10 o'clock this morning. The customary salutes were fired, and after an exchange of formal visits the King and the Emperor lunched on board the Russian yacht Polar Star, as the guest

of the Dowager Empress. The day was favored by brilliant and beautiful summer weather. Thousands of spectators had gathered on the bat tlement summit of the Mont de la Ca thedral along the wooded shores of the bay, and at other points of vantage on the sea wall to witness the incoming of the ships of war.

The imperial train bearing the Emper or of **Bus**sia and suite from Peterhof arrived here at 8 o'clock this morning When the imperial party alighted, they were surprised to find the disembark were surprised to find the disembark-ing platform surrounded by a guard of school children of Reval instead of by a detachment of troops. The children cheered enthusiastically, and this wel-come evidently made a deep impression upon the Emperor and Empress. As Emperor Nicholas boarded the Standert, the imperial salute was fired, the royal standard was hoisted to the
